Change Log

Version (Date)	Summary of Changes Made
Version 1 (January 2025)	<ul style="list-style-type: none"> Original checklist.
Version 2 (March 2025)	<ul style="list-style-type: none"> Updated branding to align with Universal Notice materials.
Version 3 (April 2025)	<ul style="list-style-type: none"> Clarified task language and screenshots under the “Grantee Submission of Optional Action Plan for Program Administrative Funds (“Admin Action Plan”)” section.
Version 4 (March 2026)	<ul style="list-style-type: none"> Added a new sections “Selection of Performance Measures”, “Grantee Audience”, “Change Log”. Updated section “Identifying CDBG-DR Mitigation Set-Aside Activities” to align with the updated activity types and performance measures established for Universal Notice grantees. Updated contact information at the end of the document to the new Office of Disaster Recovery DRGR email address.

¹ *Common Application, Waivers, and Alternative Requirements for Community Development Block Grant Disaster Recovery Grantees: The Universal Notice*, published on January 8, 2025, at 90 FR 1754, as amended by Memorandums 2025-02 and 2025-03, and any subsequent memoranda (“The Universal Notice”).

Overview

This fact sheet applies to grantees who receive a future allocation of Community Development Block Grant Disaster Recovery (CDBG-DR) funds covered by the Universal Notice. Any changes to the applicability of these requirements will be updated in applicable DRGR guidance documents and grantees will be notified in advance of the updates. The following DRGR related topics are covered in this fact sheet:

1. Establishing Grantee Access in DRGR
2. Grantee Submission of Optional Action Plan for Program Administrative Funds (“Admin Action Plan”)
3. DRGR Activity Types and Associated Performance Measures
4. Identifying and Tracking CDBG-DR Mitigation Set-Aside
5. Additional DRGR Resources

Note: This fact sheet includes guidance for DRGR functions required to complete the tasks mentioned above. Grantees should review the applicable *Federal Register* notice for additional details.

Establishing Grantee Access in DRGR

The following steps are provided as guidance on describing the process for establishing grantee access in DRGR.

Step	Entity Responsible	Task
1	Grantee (New DRGR Users)	<p>Grantee submits request for user accounts with appropriate user roles to applicable HUD CPD Representatives in DRGR via the Administration module.</p> <ul style="list-style-type: none"> • Grantee determines user to serve as DRGR Grantee Administrator and submits an email request to CPD Representative for DRGR access providing the following information: <ul style="list-style-type: none"> ○ first name, last name, email address, mailing address, title, organization name, phone number, fax and a five-digit number of your choice (0 should not be first number) to be utilized as the user Personal Identification Number (PIN) <p>Details (including step-by-step instructions and screenshots) on DRGR user roles and user management can be found in Chapter 5: User Management and Certifications of the DRGR User Manual.</p>
2	HUD	<p>HUD CPD Representatives will submit the DRGR user request(s) for the Grantee Administrator users through the DRGR system. The new user will be notified via email once their DRGR account is established.</p> <p>Details (including step-by-step instructions and screenshots) on DRGR user roles and user management can be found in Chapter 5: User Management and Certifications of the DRGR User Manual.</p>
3	Grantee	<p>After DRGR user accounts have been created, DRGR Grantee Administrators should process with requesting and authorizing access for additional DRGR Grantee Administrators and/or Grantee Users in DRGR via the Administration module.</p> <p>Details (including step-by-step instructions and screenshots) on DRGR user roles and user management can be found in Chapter 5: User Management and Certifications of the DRGR User Manual.</p>

Step	Entity Responsible	Task
4	HUD	Following HUD approval of the “paper” Admin Action Plan and initial grant agreement execution, HUD will grant access for five percent (5 percent) or less of grantee’s total grant award in DRGR to allow for budgeting to an administration project and activity(ies). The remaining grant balance will not be obligated until HUD approves the Action Plan and the Secretary’s certification of financial controls and procurement processes, and adequate procedures for proper grant management.

Grantee Submission of Optional Action Plan for Program Administrative Funds (“Admin Action Plan”)

The Universal Notice authorizes grantees receiving an award under the appropriations act to access funding for program administrative costs prior to the Secretary’s certification of financial controls and procurement processes, and adequate procedures for proper grant management. If a grantee chooses to access funds for program administrative costs prior to the Secretary’s certification, the grantee must follow the requirements outlined in the Universal Notice. Each grantee can submit an Admin Action Plan for program administrative costs for disaster recovery efforts to HUD requesting access to draw funds for administration activities prior to submitting its required Action Plan as identified within the allocation announcement notice.

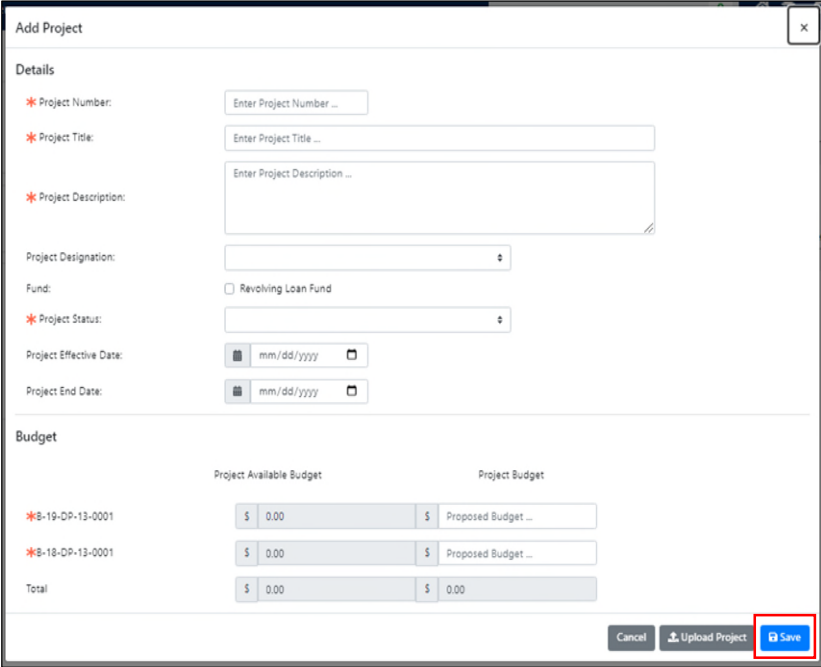

Following HUD approval of the “paper²” Admin Action Plan, the grantee enters an administration project and activity(ies) from its approved “paper” Admin Action Plan into the DRGR Action Plan. Once the administration project and activity(ies) are established in DRGR, the grantee submits its Admin Action Plan in DRGR for HUD review and approval. CDBG-DR administration funds can be drawn from the line of credit only for activities that are established and approved in the DRGR system. This process will allow a grantee to access funds for program administrative costs while the grantee begins developing its Action Plan.

Grantee Steps for Submitting an Admin Action Plan in DRGR

The following steps are provided as guidance on describing the submittal process for grantees submitting an Admin Action Plan in DRGR.

² The “paper” Action Plan refers to a written (PDF) Action Plan that is developed and submitted to HUD outside of the DRGR system.

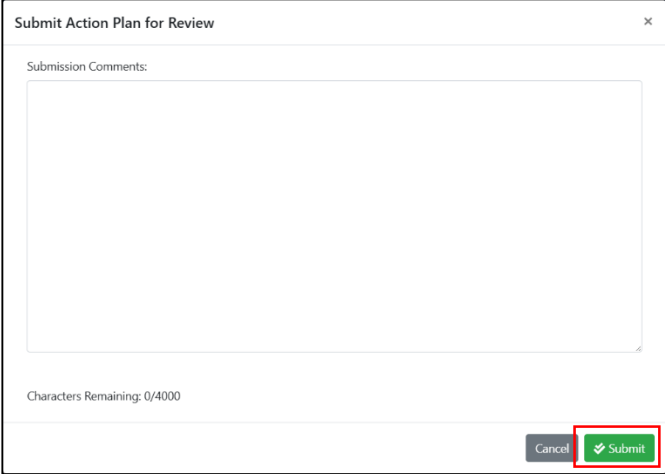

Step	Entity Responsible	Task
1	Grantee (New DRGR Users)	Grantees should refer to the Grantee Access in DRGR component of this fact sheet before moving forward with the steps outlined below.
2	HUD	Following HUD approval of the “paper” Admin Action Plan and initial grant agreement execution, HUD will grant access for five percent (5 percent) or less of grantee’s total grant award in DRGR to allow for budgeting to an administration project and activity(ies). The remaining grant balance will not be obligated until HUD approves the Action Plan and the Secretary’s certification of financial controls and procurement processes, and adequate procedures for proper grant management.
3	Grantee	<p>Applicable DRGR Grantee Users will establish the Admin Action Plan in DRGR via the “Manage My Grants - Manage Action Plan” link by:</p> <ul style="list-style-type: none"> • Creating an “Administration” project in DRGR to group administration activities. <ul style="list-style-type: none"> ○ Navigate to the Manage My Grants module and locate the Project menu. Select <Add Project>. The “Add Project” page will load. Complete, at minimum, all required fields marked with an asterisk (*) as shown in the screenshots below.

Step	Entity Responsible	Task
		<div data-bbox="609 325 1425 987" data-label="Form">  </div> <p data-bbox="667 1039 1338 1150">○ Once complete, select the <Save> button on the bottom-right of the pop-up window to add the “Administration” project.</p> <p data-bbox="521 1199 1419 1272">Refer to Chapter 12: Projects of the DRGR User Manual for additional details on adding and editing projects in the system.</p>
6	Grantee	<p data-bbox="521 1325 1406 1436">Once an “Administration” project is created in DRGR, administration activity(ies) can then be associated to the project. Administration activity(ies) should include:</p> <ul data-bbox="570 1446 1390 1803" style="list-style-type: none"> <li data-bbox="570 1446 919 1478">● Narratives and budgets <li data-bbox="570 1488 1370 1562">● Association to the appropriate “Administration” project in DRGR <li data-bbox="570 1572 1382 1803">● Uploaded approved “paper” Action Plan for administration funds in DRGR via “Manage Action Plan – Documents” tab. <ul data-bbox="667 1656 1390 1803" style="list-style-type: none"> <li data-bbox="667 1656 1390 1803">○ The HUD approved “paper” Action Plan MUST be uploaded to the activity’s “Manage my Activity – Documents” tab in order to receive HUD approval in DRGR.

- Creating an “Administration” activity(ies) in DRGR:
 - Navigate to the Manage My Grant module and locate the Activities menu. Select <Add Activity> and the “Add Activity” page will load. Complete, at minimum, all required fields marked with an asterisk (*).

- The “Project” field opens a dropdown of Projects already created for the current Action Plan. Select the desired project number for the “Administration” Activity.
- Grantees must first create the administration project before creating activities, as mentioned above.
- Select the <Save> button on the bottom right of the screen once all required information has been added on the Add Activity Screen.
 - Alternatively, activities may be added from the “Manage Action Plan” page’s “Activities” tab by selecting <Manage Action Plan>. To access the “Manage Action Plan” page, navigate to the Manage My Grant module, locate the Action Plan menu, and select the link <Manage Action Plan>. The “Manage Action Plan” page will load.

Step	Entity Responsible	Task
		<p data-bbox="667 317 1382 510">○ Once the administration activity has been created, select the “Documents” tab on the “Manage Action Plan” screen and select the “Add Document” link to upload a copy of the HUD-approved Admin Action Plan and executed grant agreement.</p> <div data-bbox="513 548 1414 905" style="border: 1px solid black; padding: 5px;"> </div> <p data-bbox="521 957 1414 1192">Note: Only the Project and Activity modules (tabs) within the “Manage Action Plan” module require data entry to access administration funds at this time. <u>Grantees will only receive approval of its Admin Action Plan when utilizing the “Administration” activity type in DRGR, use of any other DRGR activity type will trigger rejection of the Admin Action Plan in DRGR.</u></p> <p data-bbox="521 1245 1344 1314">Refer to Chapter 14: Activities of the DRGR User Manual for additional details on adding and editing activities in the system.</p>
7	Grantee	<p data-bbox="521 1367 1425 1478">Upon creation of the “Administration” project and activity(ies) in DRGR, the authorized grantee user submits the Admin Action Plan for HUD review in the system.</p> <ul data-bbox="570 1535 1409 1646" style="list-style-type: none"> ● Grantee users must have the “Submit Action Plan” role to submit the Admin Action Plan for review and approval. Users without this role, will not see the “Submit Plan” button. <div data-bbox="570 1713 1414 1780" style="border: 1px solid black; padding: 5px;"> </div> <p data-bbox="667 1793 1377 1902">○ Grantee Users must also include information in the submission comments box to further explain the purpose of the submission. Once comments have</p>

Step	Entity Responsible	Task
		<p>been entered, select the <Save> button on the bottom-right of the pop-up window to submit the Admin Action Plan.</p> 
8	Grantee	<p>Grantee will repeat steps 6 and 7 (above) if new administrative activities must be added, or changes need to be made to existing administrative activities via approval of Admin Action Plan substantial and non-substantial amendments.</p> <p>Refer to Chapter 14: Activities of the DRGR User Manual for additional details on adding and editing activities in the system.</p>
9	HUD	<p>HUD staff reviews the Admin Action Plan within the “Manage Action Plan” module.</p> <ul style="list-style-type: none"> • If edits are needed, HUD staff can reject the Admin Action Plan, for administration funds returning the Admin Action Plan for administration activity project and activity(ies) to the grantee to be revised and resubmitted in DRGR. • Otherwise, HUD staff approve the Admin Action Plan via the DRGR Action Plan in the system. <p>Refer to <i>Chapter 16: Action Plan Submission and Approval</i> of the DRGR User Manual for additional details on reviewing and approving Action Plans in DRGR.</p>

Step	Entity Responsible	Task
10	Grantee	<p>Following approval of the Admin Action Plan in DRGR, grantees will then be allowed to create vouchers to draw funds against the administration activities established in DRGR.</p> <p>Refer to Chapter 23: Financial Overview and Vouchers and Chapter 24: Financial Obligations and Vouchers of the DRGR User Manual for additional details on submitting vouchers in DRGR.</p>

DRGR Activity Types and Associated Performance Measures

This section summarizes the activity types available in DRGR for CDBG-DR grants that are subject to the requirements of the Universal Notice. It also identifies the performance measures associated with each activity type and provides recommendations for which performance measures should be utilized by grantees when reporting accomplishments in the Quarterly Performance Report (QPR).

Note: Any changes to the applicability of these requirements will be updated in applicable Disaster Recovery Grant Reporting (DRGR) guidance documents and grantees will be notified in advance of the updates.

Background

Activity types in DRGR correspond to eligible activities listed at 24 CFR 570.201 and section 105(a) of the HCDA, or activities classified as eligible through a waiver and alternative requirement issued in the Universal Notice or applicable AAN. When setting up activities in DRGR, selecting the correct activity type is important because the activity type will determine which unique performance measures grantees can select from when reporting accomplishments in the QPR. For example, selecting the “Construction of New Housing” activity type will allow grantees to select from a list of housing performance measures, whereas selecting the “Economic Development” activity type will allow grantees to select from a list of jobs creation and retention performance measures.

Selection of Performance Measures

During the activity setup process, grantees will enter information about the activity on a series of different tabs (see screenshot on following page). The Measures tab is where grantees will select which performance measures they wish to report on in the QPR by entering a projected accomplishment for the desired performance measure. Any performance measure with an accompanying projected accomplishment will appear in the QPR for future reporting. This includes performance measures where a projected accomplishment of “0” is entered. If a grantee does not wish to report on a particular measure in the QPR, they should leave the projected accomplishment field for that performance measure blank.

To assist grantees with the selection of performance measures for QPR reporting, the table on the following pages provides recommendations for which performance measures grantees should select for each activity type.

Table 1: DRGR Activity Types and Associated Performance Measures

Activity Type Name	Description	Activity Category	Activity Type Performance Measures
Acquisition - buyout of residential properties	Acquisition of property that is intended to reduce risk from future hazards	Buyout	# of Persons # of Properties
Acquisition - general	Acquisition for a public purpose that does not fit into one of the other acquisition categories in DRGR	Acq/Disp	# of Persons # of Properties
Acquisition of relocation properties	Acquisition of relocation properties	Acq/Disp	# of Persons # of Properties
Administration	Administration e.g., general management, oversight and coordination, public information, fair housing activities, indirect cost under a cost allocation plan (OMB circular A-21, A-87, or A-122), submission of applications	Admin	<i>None</i>
Affordable Rental Housing	Activities that lead to the creation of affordable housing	Housing - Rental	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Households # of Housing Units
Capacity building for nonprofit or public entities	Capacity building for nonprofit or public entities	Planning	# of Non-business Organizations benefitting
Clearance and Demolition	Clearance and demolition	Clear/Demo	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Persons # of Properties
Code enforcement	Code enforcement in deteriorated or deteriorating areas, e.g. disaster areas	Miscellaneous	# of Persons # of Building Inspections

Activity Type Name	Description	Activity Category	Activity Type Performance Measures
Construction of new housing	Construction of new housing, not related to buyouts or replacement of disaster damaged housing.	Housing - Other	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Households # of Housing Units # of Elevated Structures
Construction of new replacement housing	Construction of new replacement housing which were damaged or destroyed as a direct result of a Presidentially declared disaster	Housing - Other	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Households # of Housing Units
Debris removal	Debris removal	Public Services	# of Persons # of Properties
Disaster Relief Assistance Payments for LMI		Public Services	# of Persons
Disposition	Disposition of property	Acq/Disp	# of Persons # of Properties
Econ. development or recovery activity that creates/retains jobs	Assistance to businesses to carry out economic development activity or recovery activity that benefits the public through job creation/retention	Economic Development	# of Permanent Jobs Retained # of Permanent Jobs Created
Homeownership Assistance (with waiver only)	Homeownership Assistance (with waiver only)	Housing - Other	# of Households
Homeownership Assistance to low- and moderate-income	Assistance to facilitate homeownership among low- and moderate-income households, e.g. downpayment assistance, interest rate subsidies, loan guarantees	Housing - Other	# of Households

Activity Type Name	Description	Activity Category	Activity Type Performance Measures
Housing incentives to encourage resettlement	Housing incentives to encourage housing resettlement	Housing - Other	# of Households
INF - Buildings for the general conduct of government (Waiver Only)		Infrastructure	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Persons # of buildings (non-residential) # of Elevated Structures # of facilities with mitigation measures (other than elevation)
INF - Private utilities		Infrastructure	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Persons # of cable feet of private utility # of Elevated Structures # of facilities with mitigation measures (other than elevation)
INF - Privately owned shelters		Infrastructure	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Persons Assisted # of shelters # of beds created in overnight shelter/other emergency housing # of Elevated Structures # of facilities with mitigation measures (other than elevation)

Activity Type Name	Description	Activity Category	Activity Type Performance Measures
INF - Public facilities		Infrastructure	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Persons Assisted # of public facilities # of Elevated Structures # of facilities with mitigation measures (other than elevation)
INF - Public improvements		Infrastructure	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Persons Assisted # of Linear feet of Public Improvement # of Elevated Structures # of facilities with mitigation measures (other than elevation)
Interim Mortgage Assistance		Public Services - Exempt	# of Households Assisted
MIT - Buyout of Properties	Acquisition of all property types	Buyout	# of Persons # of Properties
MIT - Direct Housing Payments	All types of housing payment, e.g. relocation payments and assistance, resettlement housing incentives, rental assistance and home-ownership assistance	Housing - Other	# of Households

Activity Type Name	Description	Activity Category	Activity Type Performance Measures
MIT - Economic Development	Assistance to businesses to carry out economic development activity or recovery activity that benefits the public and has integrated mitigation measures	Econ Development	# of Permanent Jobs Retained # of Permanent Jobs Created
MIT - Planning and Capacity Building	Planning and capacity building activities, e.g. urban environmental design, policy planning, capacity building for nonprofit or public entities	Planning	# of Persons # of organizations or subrecipients assisted
MIT - Public Services and Information	Provision of public services in deteriorated or deteriorating areas, e.g. disaster areas	Public Services	# of Persons Assisted
MIT - Rehabilitation/reconstruction of residential structures	Rehabilitation or reconstruction of residential structures	Housing - Other	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Households # of Housing Units # of Elevated Structures
MIT - Residential New Construction	Construction of new housing and new replacement housing (all types of residential new construction)	Housing - Other	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Households # of Housing Units # of Elevated Structures

Activity Type Name	Description	Activity Category	Activity Type Performance Measures
MIT/INF-Buildings for the general conduct of government (Waiver Only)		Infrastructure	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Persons # of buildings (non-residential) # of Elevated Structures # of facilities with mitigation measures (other than elevation)
MIT/INF-Private utilities		Infrastructure	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Persons # of cable feet of private utility # of Elevated Structures # of facilities with mitigation measures (other than elevation)
MIT/INF-Privately owned shelters		Infrastructure	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Persons Assisted # of shelters # of beds created in overnight shelter/other emergency housing # of Elevated Structures # of facilities with mitigation measures (other than elevation)

Activity Type Name	Description	Activity Category	Activity Type Performance Measures
MIT/INF-Public facilities		Infrastructure	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Persons # of public facilities # of Elevated Structures # of facilities with mitigation measures (other than elevation)
MIT/INF-Public improvements		Infrastructure	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Persons # of Linear feet of Public Improvement # of Elevated Structures # of facilities with mitigation measures (other than elevation)
Planning	Planning e.g. urban environmental design, policy planning capacity building activities	Planning	# of Persons # of organizations or subrecipients assisted
Public services	Provision of public services (limited to 15% of the grant amount)	Public Services	# of Persons
Rehabilitation/reconstruction of other non-residential structures	Rehabilitation or reconstruction of other non-residential structures (non-public facility)	Public Facilities	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Persons # of buildings (non-residential) # of Elevated Structures

Activity Type Name	Description	Activity Category	Activity Type Performance Measures
Rehabilitation/reconstruction of residential structures	Rehabilitation or reconstruction of residential structures	Housing - Other	# of Section 3 Labor Hours # of Total Labor Hours # of Targeted Section 3 Labor Hours # of Households # of Housing Units # of Elevated Structures
Relocation payments and assistance	Relocation payments and assistance for displaced persons, businesses, organizations and farm operations	Acq/Disp	# of Persons # of Businesses # of Non-business Organizations benefitting
Rental Assistance		Public Services - Exempt	# of Households
Tourism (Waiver Only)	Tourism support activities in accordance with the granted waivers and alternative requirements	Econ Devt	# of Persons Number of new visitors attracted

Identifying CDBG-DR Mitigation Set-Aside Activities

This requirement applies to DRGR grantee users who received a CDBG-DR allocation of funding covered by the Universal Notice which included a set-aside amount for “Mitigation” activities. HUD has developed the ability for grantees to identify these “Mitigation-only” activities in DRGR for reporting purposes. This enhancement will allow HUD and grantee users to track budgets, expended and drawn funding of the “Mitigation-only” activities properly per the applicable *Federal Register* notice(s).

Multiple activity types have been established in DRGR for specific appropriations per applicable *Federal Register* notice requirements. Activity types in DRGR beginning with “MIT” are designated as Mitigation-only activities (see Table #1 below for mitigation activity type details). All activities determined applicable to the fifteen percent (15 percent) Mitigation funding requirement will be created in DRGR per step-by-step instructions provided in [Chapter 14 - Activities](#) of the DRGR User Manual. Grantees with mitigation activities select activity type beginning with “MIT-...” when developing its DRGR Action Plan and creating activities. The Mitigation activity types will be used by HUD to track grantee expenditures towards the 15 percent Mitigation set-aside. The table (Table #1) below lists available mitigation specific activity types in DRGR:

Table 2: DRGR Mitigation Activity Types

#	Activity Type Name	Description
1	MIT - Planning and Capacity Building	Planning and capacity building activities, e.g. urban environmental design, policy planning, capacity building for nonprofit or public entities
2	MIT - Rehabilitation/reconstruction of residential structures	Rehabilitation or reconstruction of residential structures
3	MIT - Residential New Construction	Construction of new housing and new replacement housing (all types of residential new construction)
4	MIT - Direct Housing Payments	All types of housing payment, e.g. relocation payments and assistance, resettlement housing incentives, rental assistance and home-ownership assistance
5	MIT - Buyout of Properties	Acquisition of all property types
6	MIT - Public Services and Information	Provision of public services in deteriorated or deteriorating areas, e.g. disaster areas
7	MIT/INF-Buildings for the general conduct of government (Waiver Only)	
8	MIT/INF-Private utilities	
9	MIT/INF-Privately owned shelters	
10	MIT/INF-Public facilities	
11	MIT/INF-Public improvements	
12	MIT - Economic Development	Assistance to businesses to carry out economic development activity or recovery activity that benefits the public and has integrated mitigation measures

Questions?

Any programmatic questions and inquiries regarding this fact sheet should be directed to your CPD grant manager. Technical questions about DRGR system functionality for CDBG-DR can be sent to ODR-DRGR@hud.gov.
