1. NOFO Summary

The Department of Housing and Urban Development (HUD) is issuing this Notice of Funding Opportunity (NOFO) for the 2025 Fiscal Year for public review. HUD understands this NOFO to be enjoined pursuant to a preliminary injunction entered in *State of Washington, et al. v. HUD*, No. 1:25-cv-00626-MSM-AEM (District of Rhode Island), and *National Alliance to End Homelessness, et al. v. HUD*, No. 1:25-cv-00636-

MSM-AEM (District of Rhode Island). HUD will not implement or enforce this NOFO pending further court order. HUD will issue further clarification on the status of this or any other future Fiscal Year 2025 NOFO as necessary. HUD will provide further notice as to when the application portal will open.

The Continuum of Care (CoC) Program is a competitive and results oriented program designed to:

- promote a community-wide commitment to the goal of ending homelessness;
- provide funding for efforts by nonprofit providers, States, Indian Tribes or Tribally Designated Housing Entities [as defined in section 4 of the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4103) (TDHEs)], and local governments to quickly rehouse individuals and families experiencing homelessness, persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking, and youth experiencing homelessness while minimizing the trauma and dislocation caused by homelessness;
- promote access to, and effective utilization of, mainstream programs and programs funded with State or local resources; and
- optimize self-sufficiency among individuals and families experiencing homelessness.

This does not alter all applicable protections and obligations under the original Violence Against Women Act of 1994 (Pub.L. 103-322), codified mainly in 42 U.S.C. 13925 et seq., appearing in 108 Stat. 1796; as well as the Violence Against Women Reauthorization Act of 2022, Pub. L. 117-103) 34 (e.g., 34 U.S.C. 12491 (VAWA)).

The goal of the Youth Homelessness Demonstration Program (YHDP) is to support the development and implementation of a coordinated community approach to preventing and ending youth homelessness and sharing that experience with and mobilizing communities around the country toward the same end. The population to be served by the demonstration program is youth ages 24 and younger who are experiencing homelessness, including unaccompanied and pregnant or parenting youth.

This NOFO establishes two deadlines for submitting applications to HUD.

Application Due Date: 8PM Eastern Time on:

Normal Track: 01/28/2026 for \$2,655,600.

Extended Track: 02/25/2026 for \$1,262,400 in funding for new Permanent Housing projects for individuals and families with a disability.

Anticipated Award Date:

Normal Track: 03/31/26

Extended Track: 04/28/26

Available Funds

Funding of approximately **\$3,918,000,000** is available through this NOFO.

Additional funds may become available for award. Use of these funds is subject to statutory constraints. All awards are subject to the selection process contained in this NOFO.

On March 15, 2025, the President signed H.R. 1968 authorizing the Full-Year Continuing Appropriations and Extensions Act, 2025 (Public Law 119-4) which makes approximately the same amount of CoC Program funding available for FY 2025 as the Consolidated Appropriations Act, 2024 (Public Law 118-42, approved March 9, 2024). Pursuant to the Full-Year Continuing Appropriations and Extensions Act, 2025, HUD will repurpose \$100,000,000 in funds previously outlined in paragraph (5) of the Consolidated Appropriations Act, 2024, under the heading 'Department of Housing and Urban Development—Community Planning and Development—Homeless Assistance Grants', to supplement the FY 2025 CoC Program Competition. Approximately \$294,000,000 in amounts available pursuant to section 231 of the Further Consolidated Appropriations Act, 2020 (Public Law 116-94, division H, title II, section 231; 42 U.S.C. 11364a) is also being made available as part of this Notice.

Of the \$3,918,000,000 HUD is making available:

- Approximately \$52,000,000 in funding is available for Domestic Violence, Dating Violence, Sexual Assault, and Stalking Bonus (DV Bonus) projects, described in sections IV.D.1.e and IV.D.1.f of this NOFO.

III. PROGRAM DESCRIPTION

A. Purpose

The Continuum of Care (CoC) Program (24 CFR part 578) is a competitive and results oriented program designed to promote a community-wide commitment to the goal of ending homelessness; to provide funding for efforts by nonprofit providers, states, local governments and Indian Tribes or tribally designated housing entities (as defined in section 4 of the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4103) (TDHEs)) to quickly rehouse homeless individuals, families, persons fleeing domestic violence, dating violence, sexual assault, and stalking, and youth while minimizing the trauma and dislocation caused by homelessness; to promote access to and effective utilization of mainstream programs and programs funded with State or local resources; and to optimize self-sufficiency among those experiencing homelessness.

As described in detail below, a “Housing First” approach to homelessness has failed to deliver on the CoC Program’s primary goal: to end homelessness.

The FY 2025 CoC Program NOFO funds the renewal of existing CoC grants, including DV Renewal projects and projects originally funded under the Special NOFO to Address Unsheltered and Rural Homelessness, and the competitive renewal or replacement of existing YHDP grants that are expiring in Calendar Year 2026. This NOFO also provides funding for new projects, including those created with DV Bonus, CoC Bonus, and the reallocation of existing renewal projects.

For FY 2025, HUD requires Collaborative Applicants to rank all project applications, except for CoC Planning, and if applicable, UFA Costs project applications.

B. Goals and Objectives

This section provides context to help applicants better understand how the merit criteria found in section V.B of this NOFO advance HUD’s implementation of the Continuum of Care program’s goal of ending homelessness.

“Housing First” has been a profound failure by any measure. Far from ending homelessness as promised, chronic homelessness has increased by 75% in just a decade. And that is despite artificially lowered numbers and nearly triple the amount of Permanent Housing since 2007. HUD is returning the CoC program to its original goals of solving homelessness by improving outcomes, expanding competition, and prioritizing treatment, economic independence, and law and order to address the diverse root causes of homelessness.

More than a decade ago, advocates of “Housing First” argued that the approach would end all types of homelessness in 10 years.^[1] By focusing on permanently subsidized housing with no conditions, the Obama Administration said it would end veteran homelessness by 2015, chronic homelessness by 2016 and family homelessness by 2020.^[2]

In 2025, it is evident that those promises have profoundly failed. Last year, homelessness in the U.S. reached the highest number ever recorded at the highest rate of increase ever recorded.^[3] Unsheltered homelessness has increased every year since 2015.^[4] Between 2023 and 2024, only six states reported a decrease in homelessness.^[5]

Chronic homelessness, which Permanent Supportive Housing was intended to address, has increased by 74.5% since 2015 to the highest number on record. This is despite a 24.7% increase nationwide in Permanent Supportive Housing beds during the same time. In California alone, chronic homelessness increased 128.1% since 2015 despite a 55.2% increase in Permanent Supportive Housing.[\[6\]](#)

According to the McKinney-Vento Act, HUD considers individuals and families living in Transitional Housing, but not Permanent Housing, to be experiencing homelessness. Although Transitional Housing and Rapid Rehousing are both housing limited to 24-months, HUD chose to consider Rapid Rehousing to be Permanent Housing. The effect of this counting method is artificially lower numbers of people experiencing homelessness, and a system that incentivized the speed at which individuals could receive subsidized housing rather than the quality of services individuals could receive in order to reach self-sufficiency and independent living.[\[7\]](#)

There are more people today than ever before who are dependent on indefinitely subsidized housing for homelessness — Permanent Housing. The nation's supply of Permanent Supportive Housing has increased by 111% (more than double) since 2007. When Rapid Rehousing is included, the supply of Permanent Housing (Permanent Supportive Housing and Rapid Rehousing) has increased by 188%. During the same time period, the nation's supply of Transitional Housing has decreased by 59.5% (more than half).

1. Improving Outcomes.

One of the main objectives for the CoC program, as set out in the McKinney-Vento Act, 42 U.S.C. § 11381(4), is to optimize self-sufficiency among individuals and families experiencing homelessness. CoCs should review all projects eligible for renewal under this NOFO to determine their effectiveness in reducing homelessness and increasing self-sufficiency. CoCs should prioritize projects that promote self-sufficiency, increase employment income over government assistance, and promote treatment and recovery.

This NOFO includes several options to help CoCs improve their effectiveness, including reallocation, expansion, and transition grants, and CoCs should take advantage of these options to expand the pool of successful providers, including faith-based providers, and improve the overall performance of the CoC. This NOFO also makes a significant investment in Transitional Housing and Supportive Service Only projects to ensure that those who can recover and achieve self-sufficiency have the support to do so.

2. Restoring Balance to the Continuum of Care

From 2007 to 2009 there was a nearly equal distribution of Emergency Shelter beds, Transitional Housing beds, and Permanent Supportive Housing beds.[\[1\]](#) During this time, the number of people experiencing homelessness was decreasing consistently. Beginning in 2010, and reinforced by HUD's 2013 NOFO, the distribution of homelessness assistance grew dramatically and became imbalanced.

The numbers cited above, and the graph from HUD's Annual Homelessness Assessment Report, reference nationwide bed counts. The trend and disparities between Permanent Housing and Transitional Housing is even more apparent when narrowed to CoC-funded housing in particular. Last year, 88% of the CoC national award went to Permanent Housing,

and only 1% supported transitional housing projects.^[2]

Instead of a balanced continuum of assistance, the CoC Program has become a “one size fits all” response to homelessness that restricts the spectrum of eligible program components to one component, excluding a wide array of community providers in the process. By investing in Transitional Housing and Supportive Service Only projects, HUD intends to restore the “continuum” to the Continuum of Care Program to help able-bodied people move to self-sufficiency. Individuals who are likely to never be able to return to the workforce—over 62 years old, physically disabled, developmentally disabled—should be prioritized for Permanent Supportive Housing. Instead, many Permanent Supportive Housing units prioritize certain disabilities over others at the cost of serving the most vulnerable. Many individuals and families that have these certain disabilities, such as impairment due to substance abuse, are able to recover and regain self-sufficiency and deserve every opportunity to receive treatment and services to help them do so.

To the extent permitted by law, HUD is shifting its focus from awarding nearly 90% of CoC funding to Permanent Housing to expand opportunities for other components of the CoC Program, and it is also prioritizing Permanent Housing that has robust services with participation requirements.

3. Prioritizing Treatment and Recovery as a Means to Self-Sufficiency.

According to a nationwide study, 75% of a survey sample of 64,000 people experiencing unsheltered homelessness reported a substance use disorder and 78% reported a mental health condition. The study found that substance use disorder contributed to the loss of housing for 50% of the unsheltered population, and mental health conditions contributed to loss of housing for 51% of the population.^[3] Another study found that two-thirds of people experiencing homelessness self-reported regular use of hard drugs like methamphetamine, cocaine, and opiates. Of those, 29% reported wanting treatment and being unable to receive it.^[4] Based on HUD’s 2024 Point-In-Time Count data, which asks individuals if they wish to self-report substance abuse, 24.7% of individuals experiencing unsheltered homelessness select to self-report substance abuse. The results of ignoring the prevalence of substance use disorder among people experiencing homelessness is deadly.

According to a 2022 study from JAMA, “deaths among people experiencing homelessness in San Francisco more than doubled to 331 deaths during the first year of the COVID-19 pandemic, driven by a large increase in overdose deaths.”^[5] The risk of fatal overdose inside Permanent Supportive Housing is noteworthy, and tragic. The City of Seattle reported a 282% increase in overdose deaths in King County’s Permanent Supportive Housing (and other subsidized housing) between 2020 and 2023.^[6] According to HUD’s own data, 19.5% of exits from Permanent Supportive Housing among adults living alone are due to death. Between 2019 and 2022, the share of adults living alone who died in Permanent Supportive Housing increased from 13% of exits to 20%, and the *number* of adults who died increased by 31%.^[7]

A National Academies of Sciences, Engineering, and Medicine review of studies on Permanent Supportive Housing concluded that “there is no substantial published evidence as yet to demonstrate that Permanent Supportive Housing improves health outcomes or reduces healthcare costs” and that “the studies reviewed did not demonstrate improvements in

psychiatric symptomatology or substance use behavior.”^[8] This review was published in 2018, just prior to the explosion of Fentanyl use in the U.S..

Despite the tragic realities of substance abuse and fatal overdose among people experiencing homelessness or living in Permanent Supportive Housing, there are recipients of CoC funding who reportedly, under the misnomer of “harm reduction”, permit, and even encourage, the use and distribution of illicit drugs on their property including by distributing drug paraphernalia like needles, pipes, and foil. This NOFO provides communities opportunities to invest in treatment services and recovery housing, and prohibits recipients from distributing drug paraphernalia or permitting the use and distribution of fatal, illicit drugs on their properties.

CoCs should prioritize projects that provide the treatment and services people need to recover and regain self-sufficiency including on-site behavioral health treatment, robust wraparound supportive services, and participation requirements. This NOFO devotes resources to Transitional Housing programs and Supportive Service Only projects with the goal of improving health and long-term economic independence for individuals and families experiencing homelessness. HUD encourages CoCs to utilize the full array of mainstream programs and local and private resources to provide housing and healthcare needed to maintain safe and stable housing.

4. Promoting Economic Self-Sufficiency.

One of the primary purposes of the CoC Program, as outlined in 42 U.S.C. § 11381, is to optimize self-sufficiency. In fact, self-sufficiency is one of only four purposes Congress provided for the CoC Program. CoCs should partner with workforce development centers, employers, childcare, and other supportive service providers to increase employment and employment income for program participants. CoCs should prioritize projects that help lead to long-term economic independence for individuals and families to exit homelessness to unsubsidized housing and prevent future returns to homelessness.

Although a chief goal of the program is self-sufficiency, HUD’s data reveals low rates of increased employment income and exits to unsubsidized housing. As of 2023, a median of only 6% of individuals in CoC-funded housing across the nation increased their earned, employment income during that reporting period. In comparison, 33% of individuals in CoC-funded housing increased their benefits and welfare income.^[9] Nationwide, 76.1% of Permanent Supportive Housing residents are under age 65, with a significant 17.4% under age 18.^[10] Yet in Permanent Supportive Housing, only 13.2% of all households exited their housing. Of that percentage, only 12.9%, or 1.7% of participating households, exited to unsubsidized housing. Nearly twice as many exits were due to death.^[11]

One way to advance both recovery and self-sufficiency is through supportive service participation requirements. Service participation requirements have been successfully employed in most federal social service programs and were integral to the welfare policy reforms enacted under President Clinton in 1996. For example, PELL Grants require recipients to make satisfactory academic progress, attend classes, and maintain a passing grade point average. Unemployment insurance benefits require program participation, including demonstrated participation in prescriptive job searches. Temporary Assistance for Needy Families (TANF) requires beneficiaries to work or advance their education.

According to a national poll in 2024, there is strong bipartisan support for supportive service participation requirements, with 69% of respondents in favor of “requiring participation in programs for housing benefits.”[\[12\]](#)

In accordance with 24 CFR 578.75(h), HUD encourages supportive service agreements that meet individual needs and advance individual progress towards self-sufficiency and independent living goals set forth in 42 U.S.C. 11386a(b)(1)(F).

5. Creating Competition to Improve Innovation and Accountability.

The Continuum of Care Program was intended to be a “national competition between geographic areas” (42 U.S.C § 11386a), which is also consistent with Office of Management and Budget requirements that federal grants be awarded on a competitive, objective basis, even for renewals. 2 CFR 200.205, 200.309. Last year, 90% of every CoC’s Annual Renewal Demand was conditionally awarded without any connection to CoC score or project merit.[\[13\]](#) This means that only about 10% of CoC awards were competed on the basis of merit between geographic areas. In fact, since 2013, the most competitive CoC competition required only 15% competition on the basis of merit, and the least competitive required merely 5% competition.

Competition drives outcomes, effectiveness, innovation, and accountability which is why HUD is competing 70% of Annual Renewal Demand on the basis of merit between geographic areas. Increased competition brings the CoC Program back to its original intent as a competitive program, not an entitlement program or block grant. Competition ensures that CoCs consistently evaluate the effectiveness of their projects and invest in new projects that deliver the best results at reducing homelessness and optimizing self-sufficiency. The historic lack of competition has meant that the same projects are awarded every year regardless of their impact on homelessness.

6. Ending the Crisis of Homelessness on Our Streets.

The number of people experiencing unsheltered homelessness is at an all-time high.[\[14\]](#) People living on the streets and in encampments have high rates of substance use disorder and mental illness.[\[15\]](#) HUD intends to focus increasingly on reductions in unsheltered homelessness and movement through Transitional Housing and out of Permanent Housing to self-sufficiency.

CoCs should direct resources towards outreach, intervention, and assistance that helps people move out of unsheltered homelessness and regain self-sufficiency. By expanding opportunities for new providers and historically disincentivized program components, HUD is assisting community-wide efforts to address homelessness with the most effective solutions.

7. Advancing Public Safety for All.

Safety and security for all members of the public, especially those living unsheltered, is essential to promoting a community-wide commitment to the goal of ending homelessness. CoCs should cooperate with law enforcement to advance public safety for the entire community impacted by homelessness. No one should sleep outside on the street or in dangerous encampments, and everyone should be able to enjoy public spaces safely. HUD encourages CoCs to assist in preventing and minimizing the trauma associated with living on

the streets or in encampments, especially for women and youth that are the victims of sexual assault and trafficking. Unchecked public camping and public illicit drug use inhibit nonprofit providers and local government from effectively addressing homelessness.

Respecting the rule of law is critical to community-wide efforts to address homelessness and protect all residents. According to one report, as unsheltered homelessness increased in King County, gun crimes tied to homeless encampments increased by 122% in just the first six months of 2022. Between 2017 and 2020, 50% of all arrests in Portland, Oregon were of individuals experiencing homelessness despite the homelessness population comprising only 2% of the total population. According to the same report, drug overdoses were the most common cause of death among individuals experiencing homelessness in New York City between 2018 and 2021. The number of deaths doubled during that short time period.^[16] One recent study indicates that in some states, as many as half of unsheltered individuals experiencing homelessness are registered sex offenders.^[17]

None of the realities above suggest that the entire population experiencing homelessness is engaged in criminal or illicit activity despite significant disproportionality. Data also indicates that people experiencing homelessness are the victims of crime at higher rates than the general public.^[18] Gun violence in encampments, fatal drug overdoses on the streets, and sexual assault in encampments all perpetuate harm and trauma to individuals experiencing homelessness. It is common sense to acknowledge the close relationship between unchecked homelessness and illicit activity with its many victims. Enforcing the rule of law is critical to protecting the safety of everyone regardless of their housing status, which in turn promotes one of the core purposes of McKinney-Vento, “community-wide commitment to the goal of ending homelessness.” 42 U.S.C. § 11381(1).

In 2024, The City of Seattle reported that 76% of residents surveyed in a downtown neighborhood disagreed or strongly disagreed with the statement “I feel safe in my neighborhood.” The respondents included residents of three Permanent Supportive Housing buildings in the neighborhood. The city described a downtown environment that creates “opportunities for illegal street markets, drug markets, and unsanctioned tent encampments to form.”^[19]

The public is supportive of policies that advance public safety related to homelessness. According to national polling in 2024, there is strong bipartisan support for public camping bans and stricter enforcement of drug laws, with 72% of voters in favor of “moving individuals into shelters over allowing camping” and 60% of voters in favor of “stricter drug enforcement near service, providers, including penalties for facilities permitting drug activity.”^[20]

Advancing public safety policies has been shown to decrease homelessness. Two years after the City of Austin reinstated a ban on public camping, unsheltered homelessness decreased by one-third.^[21] Several years after Colorado Springs restricted public camping near creeks and waterways, unsheltered homelessness decreased by 14%.^[22]

First responders are critical partners in engaging people into treatment and services and protecting public order and vulnerable individuals experiencing homelessness. In *Grants Pass v. Johnson*, the Supreme Court of the United States upheld the authority of local governments to prohibit public camping.

First responders and law enforcement are often the first to encounter our most vulnerable

members of society and should be aware of the available services to triage individuals into safe and appropriate services, ideally alongside non-law enforcement service providers in the Continuum of Care. Executive Order 14321 reflects the need for cooperation. CoCs should work with law enforcement, first responders, and their state and local governments to reduce encampments, public camping, and public drug use in order to address barriers to maintaining housing and increasing self-sufficiency.

8. Minimizing Trauma for Vulnerable Populations.

One of the purposes of the CoC program is to minimize the trauma associated with homelessness 42 U.S.C. § 11381(2). CoCs should encourage providers to provide trauma informed care and ensure participant safety in programs, especially for youth and survivors of domestic violence, dating violence, sexual assault, and stalking. Women experiencing homelessness or domestic violence should have access to safe, single-sex spaces and other considerations for personal privacy (24 CFR 578.93(b)).

9. Expanding Access Based on Merit, not Ideology.

HUD is committed to providing an equal opportunity to every applicant, recipient, and program participant free from discrimination. Part of this commitment is recognizing that faith-based providers deserve a level playing field to compete for CoC funding and participate in the community-wide efforts of their local CoCs. Faith-based organizations first served the nation's homelessness population long before the Federal government was ever involved.^[23]

To the fullest extent permitted by law, HUD will ensure that faith-based organizations can participate in the CoC program and operate consistent with their sincerely held religious beliefs, recognizing all relevant protections provided by subsection c of HUD's Equal Participation Rule, 24 CFR § 5.109, the Religious Freedom Restoration Act, and the First Amendment. Promoting equal access for faith-based organizations directly advances the goals of the CoC program by increasing the number and diversity of program providers and increasing overall competition for CoC funds.

Likewise, HUD is committed to promoting equal access to CoC programs for homeless individuals and program participants regardless of their race or other protected status. The prior administration wrongly and illegally pressured or required providers to discriminate against participants based on their race, sex, or other protected status. In *Students for Fair Admissions (SFFA) v Harvard*, 600 U.S. 181 (2023), the Supreme Court ruled Harvard's race-conscious admissions violated the Fourteenth Amendment's Equal Protection Clause, effectively ending affirmative action as previously practiced by using race as a "plus" factor for diversity, finding it led to racial stereotyping, lacked a logical endpoint, and failed strict scrutiny by not being narrowly tailored to serve a compelling government interest. HUD believes that these harmful and illegal practices promoted division and waste and wants to increase access to homelessness relief for *all* individuals and families.

C. Authority

The CoC Program is authorized by subtitle C of title IV of the McKinney-Vento Homeless Assistance Act, (42 U.S.C. 11381–11389) (the Act), and the CoC Program rule found in 24 CFR part 578 (the Rule). Pursuant to 42 U.S.C 11386a(a) and 42 U.S.C. 11386a(b)(1)(G), the Secretary can establish criteria for the awarding of funds including factors deemed appropriate to carry out the CoC Program in an effective and efficient manner.

FY 2025 funding for CoC Program Competition NOFO, including the competitive or noncompetitive renewal or replacements of YHDP grants under the CoC program, is authorized by the Full-Year Continuing Appropriations and Extensions Act, 2025 (Public Law 119-4, approved March 15, 2025). Under this NOFO, HUD will competitively renew or replace YHDP grants under the CoC Program.

HUD is including up to \$294,000,000 in funding under Section 231(a)(1) and 231(a)(3) of the 2020 Consolidated Appropriations Act.

HUD is also utilizing authority under the Full-Year Continuing Appropriations and Extensions Act, 2025 (Public Law 119-4, approved March 15, 2025) to enable HUD to repurpose \$100 million made available for Permanent Supportive Housing to fund CoC projects under this NOFO.

D. Unallowable Costs

HUD will reject any requests for ineligible costs, except as otherwise provided in this NOFO.

E. Indirect Costs

If you expect to charge [indirect costs](#) to the award, submit the Indirect Cost Rate Certification form (HUD-426) with your application.

The HUD-426 form is built into the *e-snaps* Project Applicant Profile where you will complete the information if requesting indirect costs, and you will also see the information transferred within your project application.

Indirect cost rules under 2 CFR part 200, as may be amended from time to time, apply. Project applicants that intend to charge indirect costs to the award must clearly state in the project application(s) the rate and distribution base the recipient intends to use, and if applicable, the rate and distribution base to be used by any subrecipient(s). If the rate is a Federally negotiated indirect cost rate, the project application must include the corresponding negotiated indirect cost rate agreement signed by the cognizant agency. A government department or agency unit that receives no more than \$35 million in direct federal funding per year and has developed and maintains an indirect cost rate proposal and supporting documentation in accordance with 2 CFR part 200, appendix VII, may use the rate and distribution base specified in that indirect cost rate proposal. These governmental departments or agencies are not required to submit their proposals unless they are

specifically requested to do so by an awarding Federal agency. The Federal agency's review should be limited to ensuring the proposal is consistent with the principles of this part.

For each applicant or intended subrecipient that meets the conditions for using the de minimis rate under 2 CFR 200.414(f) and will use that rate to charge indirect costs, the project application must clearly state the intended use of the de minimis rate. As described in 2 CFR 200.403, costs must be consistently charged as either indirect or direct costs but must not be double charged or inconsistently charged as both. Once an organization elects to use the de minimis rate, the organization must apply this methodology consistently for all Federal awards until the organization chooses to negotiate for a rate, which the organization may apply to do at any time. Documentation of the decision to use the de minimis rate must be retained on file for audit.

F. Program History

FY 2025 CoC awards will be made through this NOFO. This NOFO rescinds and supersedes any mention of awards of FY 2025 CoC funds in the FY 2024 and FY 2025 Continuum of Care Competition and Renewal or Replacement of Youth Homeless Demonstration Program Grants published on July 31, 2024, and includes several changes.

1. Investment in New Permanent Housing with Robust Supportive Services for Individuals and Families with a Disability.

This NOFO provides a set-aside of 30% of all ESG and COC funds,[\[1\]](#) as contained in 42 U.S.C. § 11386b, for new permanent housing projects for homeless individuals and families with disabilities, including PH-PSH and PH-RRH. As outlined in the Threshold Criteria in V.A.4, new PH-PSH and PH-RRH projects must serve individuals and families with disabilities.

This NOFO aligns with the program statutory requirements to fund new permanent housing. CoCs have discretion to determine if or how much of their Annual Renewal Demand (ARD) will be used for the creation of new Permanent Housing projects.

For CoCs applying for new Permanent Housing projects, those projects:

- Must be submitted by the Extended Track deadline.
- Must be ranked by the CoC in an Extended Track Priority Listing.
- Must not be included in the Normal Track FY25 CoC Priority Listing.
- May be CoC Bonus projects.
- May be DV Bonus projects, if it meets DV and new project criteria.
- May be the expansion portion of an expanding renewal project.
- May be Transition Grant projects.
- Will not be considered if they exceed the CoC's maximum award based on the CoC's combined Priority listings. In other words, these projects should not, in combination with the Normal Track FY25 CoC Priority Listing, exceed the CoC's maximum award

amount.

2. Two-Track Application Process for Increased Flexibility.

In order to provide time and flexibility for CoCs to solicit new Permanent Housing project applications, HUD is creating a separate deadline for new Permanent Housing projects.

Normal Track: \$2,655,600,000 in funding, January 28, 2026 deadline and March 31, 2026 estimated award date. HUD reserves the right to award projects in Tier 1 of CoC Priority Listings prior to the rest of awards.

Extended Track: \$1,262,400,000 in funding, February 25, 2026 deadline and April, 22, 2026 estimated award date. For new Permanent Housing projects only.

3. FY 2025 CoC Consolidated Application.

All CoCs must complete and submit the FY 2025 CoC Consolidated Application that includes the CoC Application and CoC Priority Listing with all submitted projects ranked or rejected based on the criteria set forth in this NOFO. CoCs applying for new Permanent Housing projects on the Extended Track timeline must submit a separate Extended Track Priority Listing of new Permanent Housing projects. CoCs should not submit projects in Normal Track and Extended Track that, when combined, exceed their maximum award amount.

4. Increase in Competition and Expedited Awards.

The Continuum of Care program is a national competition (42 U.S.C. 11386a). Tier 1 is set at 30 percent of the CoC's Annual Renewal Demand (ARD). HUD reserves the right to award projects in Tier 1 of CoC Priority Listings prior to the rest of awards.

5. Investment in Transitional Housing and Supportive Service Only Projects.

In order to promote balance and increase competition, no more than 30 percent of a CoC's Annual Renewal Demand (ARD) under this NOFO will fund the renewal of existing Permanent Housing projects, including PH-PSH, PH-RRH and Joint TH and PH-RRH projects.

6. Program Components that are eligible under this NOFO.

Provisions at 24 CFR 578.37 provide that CoC funds may be used for projects under five program components: transitional housing, supportive services only, HMIS, permanent housing (including rapid re-housing and permanent supportive housing), and in some cases, homelessness prevention. This NOFO is different than prior years in that applicants may apply for Transitional Housing (TH) and Supportive Services Only (SSO) projects including street outreach. Only designated High Performing Communities (HPC), may carry out homelessness prevention activities through the CoC program and there are currently no HPCs. Therefore, the four components that will be funded through this CoC Program Competition are: (a). Transitional Housing; (b). Supportive Services Only; (c). Permanent Housing; and (d). HMIS. Additionally:

- a. HUD will allow renewal project applications for Joint T/PH-RRH component projects, which combine two existing program components in a single project (see section III.G.4 of this NOFO for more information). No new Joint TH/PH-RRH component project applications will be allowed.

b. Project applicants may apply for SSO projects consistent with 24 CFR 578.37 and 578.53, including projects with the outreach service activity described at 24 CFR 578.53(e)(13) to individuals and families primarily residing in places not meant for human habitation. These projects must meet the project quality threshold criteria in section V.A.4.b.(5)(c) of this NOFO. All other SSO projects, except those dedicated to coordinated entry, must meet the threshold criteria in section V.A.4.b.(5)(b) of this NOFO.

The components are fully described at 24 CFR 578.37.

7. Special CoC NOFO grants.

Grants originally awarded funding under the Special NOFO to Address Unsheltered and Rural Homelessness, that are expiring in Calendar year 2026 are eligible to renew under this NOFO.

8. Reallocation.

CoCs may reallocate funding from any eligible renewal grant, including grants that have not previously renewed under the CoC Program, so long as the project has an executed grant agreement with an expiration date in Calendar Year 2026. For more information on Reallocation requirements see section III.G.3 of this NOFO.

9. Competitive Renewal or Replacement of YHDP Grants.

HUD will competitively renew or replace YHDP projects. Additionally, YHDP projects may be reallocated by CoCs to create new YHDP grants. If significant changes to a renewing YHDP project are needed the YHDP project may replace its current project with a new YHDP Replacement project, that may wholly or in part include activities ineligible under the CoC Program as outlined in section IV.D.1.h of this NOFO.

[\[1\]](#) HUD estimates that this amount is \$1,262,400,000.

G. Other Information

1. CoC Program NOFO Requirements.

All requirements for submitting the entire CoC Consolidated Application, including applications for projects eligible for FY 2025 CoC and YHDP funding and the total amount of funds available, are contained in this NOFO. Applicants should read this information carefully and respond to all submission requirements and deadlines as described.

a. CoCs should consider the Goals and Objects established in Section III.B of this NOFO in conjunction with local priorities to determine the ranking of new and renewal project application requests.

b. Collaborative Applicants that are designated Unified Funding Agencies (UFAs) or High Performing Communities (HPCs) by HUD during the FY 2024 CoC Program Registration process will maintain their UFA and/or HPC designation for the FY 2025 CoC Program Competition.

c. HUD will conduct threshold reviews of project applicants, and project applications for all CoC Consolidated Applications that are submitted by the application submission deadline as described in section V.A.4.

d. HUD may issue more than one conditional funding announcement, including for instances where a CoC has been affected by a disaster and for which HUD has extended the deadline for application submission.

e. HUD will score the FY 2025 CoC Application portion of the Consolidated Application in accordance with the criteria set forth in section V.B of this NOFO.

f. With the exception of CoC Planning and, if applicable, UFA Cost applications, CoCs must rank all project applications. This includes CoC Bonus, DV Bonus, CoC Renewal (including DV Renewal projects), New CoC Reallocation, New DV Reallocation, and YHDP Renewal and YHDP Reallocation projects. CoC Planning and, if applicable, UFA Costs project applications are not ranked and will be selected provided they pass project eligibility and project quality threshold review.

2. Eligible Renewal Project.

YHDP and CoC projects originally funded in FY 2024 or earlier, including projects originally funded under the Special NOFO or DV Bonus are eligible to renew under this NOFO, provided the projects have an expiration date in CY 2026 (between January 1, 2026, and December 31, 2026). Renewal project applications must be submitted by the recipient currently under grant agreement to operate the project. See section IV.D.2 for more information on renewal project requirements.

In cases where an expiring grant agreement is amended to have a new recipient after a renewal application is submitted, the new recipient will be eligible to receive the renewal award (Section V.D.8).

3. Reallocation.

Reallocation is a process CoCs use to shift funds in whole or in part from existing eligible CoC renewal projects to create one or more new projects without decreasing the CoC's ARD. CoCs may only reallocate eligible renewal projects so long as the renewal project being reduced or eliminated has a current grant agreement with an expiration date in CY 2026. Additionally, new projects created through reallocation must meet the project eligibility and project quality thresholds established in sections V.A.4.a and V.A.4.b of this NOFO. For more information on the requirements for projects created through reallocation, see sections IV.D.1.e and IV.D.1.f (DV Reallocation), IV.D.1.g (CoC Reallocation), and IV.D.1.i (YHDP Reallocation) of this NOFO.

To create a Transition Grant through the reallocation process, the CoC must wholly eliminate one or more projects and use those funds to create the single, new transition grant [see section IV.D.1.l of this NOFO].

4. Joint TH/PH-RRH Component Project.

The Joint TH/PH-RRH component project combines two existing program components – Transitional Housing and Permanent Housing-Rapid Rehousing – in a single project to serve individuals and families experiencing homelessness.

If funded, HUD will limit eligible costs as follows, in addition to other limitations found in the Rule:

- a. leasing of a structure or units, and operating costs to provide transitional housing;
- b. short- and medium-term tenant-based rental assistance on behalf of program participants to pay for the RRH portion of the project;
- c. supportive services;
- d. costs of contributing data to the HMIS; and
- e. project administrative costs.

Renewal project applicants must include details in the project description of how TH and PH-RRH assistance will be provided. Additionally, if CoC Program funds are not being requested for both TH and PH-RRH units, the renewal project application must describe and include the number of the project's TH units and PH-RRH units that will be paid for from another funding source. Applicants may only use CoC Program Leasing funds or non-CoC Program Funds to pay for the cost of housing program participants enrolled in the TH portion of the project.

When a program participant is enrolled in a Joint TH/PH-RRH component project, the recipient or subrecipient must be able to provide both components, including the units supported by the TH component and the tenant-based rental assistance and services provided through the PH-RRH component, to all participants. A program participant may choose to receive only the assistance provided through the TH portion of the project or the assistance provided through the PH-RRH component, but the recipient or subrecipient must make both types of assistance available.

5. Supportive Services Only (SSO) projects not dedicated to Coordinated Entry.

Project applicants may apply for SSO projects consistent with 24 CFR 578.37 and 578.53, including projects with the outreach service activity described at 24 CFR 578.53(e)(13) to individuals and families primarily residing in places not meant for human habitation. Projects that are primarily providing these outreach services and identify themselves as such in the project application, must meet the project quality threshold criteria in Section V.A.4.b.(5)(c) of this NOFO. All other SSO projects, except those dedicated to coordinated entry, must meet the threshold criteria in Section V.A.4.b.(5)(b) of this NOFO.

6. Centralized or Coordinated Assessment System (Coordinated Entry).

In general, 24 CFR 578.23(c)(9) and (11) requires all CoC program recipients and subrecipients to use the centralized or coordinated assessment system established by CoCs. The definition of Centralized or Coordinated Assessment (also known as Coordinated Entry) is found at 24 CFR 578.3. 24 CFR 578.7(a)(8) details the responsibilities of the CoC to establish and operate this required system. In addition to the definition and responsibilities established in the Rule, HUD posted on its website, [CPD-17-01: Notice Establishing Additional Requirements for a Continuum of Care Centralized or Coordinated Assessment System](#), establishing additional requirements related to the development and use of a centralized or coordinated entry assessment system. These systems help communities assess the needs of program participants and effectively match individuals and families experiencing homelessness with the most appropriate resources available to address their supportive service and housing needs. CoCs may use planning costs to design and plan for the implementation of a Coordinated Entry system; however, once the system is established and operating, the costs of operating it are not eligible planning costs. CoCs must operate the

system with CoC Program funds, other funds, or a combination of the two. Section 578.23(c)(9) of the CoC Program Rule exempts victim service providers from using the CoC's coordinated entry process if victim service providers use a coordinated entry process that otherwise meets HUD's requirements.

7. Non-Dedicated Permanent Supportive Housing Beds.

A Permanent Supportive Housing bed within a CoC's geographic area that is not currently classified as dedicated for use by chronically homeless individuals and families or as DedicatedPLUS.

8. Beds Dedicated to Chronically Homeless Individuals and Families.

A Permanent Supportive Housing bed that is dedicated specifically for use by individuals and families experiencing chronic homelessness [see 24 CFR 578.3 definition of Chronically Homeless] within a CoC's geographic area, as reported in the CoC's housing inventory count (HIC) and permanent housing (PH) project applications.

9. DedicatedPLUS Project.

a. A PSH project where 100 percent of the beds are dedicated to serve individuals, households with children, and unaccompanied youth (including pregnant and parenting youth) that at intake meet one of the following categories:

- (1) experiencing chronic homelessness, meaning they qualify as "chronically homeless" as defined in 24 CFR 578.3;
- (2) residing in a TH project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the TH project;
- (3) residing in a place not meant for human habitation, emergency shelter, or Safe Haven and had been admitted and enrolled in a PH project within the last year but were unable to maintain a housing placement and met the definition of chronically homeless as defined by 24 CFR 578.3 prior to entering the project;
- (4) residing in transitional housing funded by a Joint TH/PH-RRH component project and who were experiencing chronic homelessness as defined by 24 CFR 578.3;
- (5) residing and has resided in a place not meant for human habitation, Safe Haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions and the individual or head of household meet the definition of 'homeless individual with a disability'; or
- (6) receiving assistance through a Department of Veterans Affairs (VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

b. A renewal project where 100 percent of the beds were dedicated to individuals and families experiencing chronic homelessness may either be reallocated to create a DedicatedPLUS project or may continue as a renewal project dedicating 100 percent of its beds to individuals and families experiencing chronic homelessness. If the project is reallocated as a DedicatedPLUS project, the project must adhere to all fair housing

requirements at 24 CFR 578.9.

c. Projects HUD awarded as DedicatedPLUS in a previous CoC Program Competition must continue to include households with children to qualify as a DedicatedPLUS project in the FY 2025 CoC Program Competition.

10. Participant Eligibility.

Projects funded through this NOFO must have the following eligibility criteria for program participants. All references to paragraphs of the definition of homeless that are found throughout this NOFO refer to the paragraphs listed under the definition of "homeless" in 24 CFR 578.3 and include the definition of "homeless" under section 103(b) of the McKinney-Vento Homeless Assistance Act, even if section 103(b) is not explicitly referenced. All specific references to the definition of "homeless" under paragraph (4) of 24 CFR 578.3 that are found throughout this NOFO also include the definition of "homeless" under section 103(b) of the McKinney-Vento Homeless Assistance Act, even if section 103(b) is not explicitly referenced. All projects must participate in coordinated entry, and the selection of program participants must be consistent with the CoC's coordinated entry process. As provided by the Consolidated Appropriations Act, 2025, youth aged 24 and under must not be required to provide third-party documentation that they meet the homeless definition in 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act as a condition for receiving services funded under this NOFO. Additionally, any youth-serving provider funded under this NOFO may serve unaccompanied youth aged 24 and under or families headed by youth aged 24 and under who are living in unsafe situations. HUD interprets "youth-serving provider" as a private nonprofit organization whose primary mission is to provide services to youth aged 24 and under and families headed by youth aged 24 and under. HUD interprets "living in unsafe situations" as having an unsafe primary nighttime residence and no safe alternative to that residence. These youth-related requirements supersede any conflicting requirements under this NOFO or the Rule.

Participants eligible to be served by projects funded under this NOFO, are as follows:

a. PH-PSH projects awarded CoC funds must serve one of the following:

(1) persons eligible to be served by DedicatedPLUS projects as described in section III.G.9 of this NOFO in which case all units funded by the project must be used to serve program participants who meet the qualifications for DedicatedPLUS;

(2) persons who qualify as homeless under paragraphs (1), (2), or (4) of 24 CFR 578.3 or Section 103(b) of the McKinney-Vento Homeless Assistance Act; or

(3) for renewal projects, the same population of individuals and families indicated in the expiring grant agreement (e.g., PSH projects originally awarded under the Special NOFO Competition projects through the Unsheltered Set Aside must serve individuals and families who qualify under paragraph (1) or (4) of the definition of homeless).

b. TH, PH-RRH, Joint TH/PH-RRH, SSO projects awarded CoC funds must serve persons who qualify as homeless under paragraphs (1), (2), or (4) of 24 CFR 578.3 or Section 103(b) of the McKinney-Vento Homeless Assistance Act with the following exception:

PH-RRH, TH, Joint TH/PH-RRH, SSO- may serve persons who qualify as homeless under paragraph (3) of 24 CFR 578.3 if the CoC is approved to serve persons in paragraph (3).

c. DV Bonus, DV Renewal and DV Reallocation projects must serve individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking and who qualify as homeless under paragraphs (1) or (4) of the definition of homeless at 24 CFR 578.3 with the following exception:

PH-RRH, Joint TH/PH-RRH, SSO- projects may serve individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking who qualify as homeless under paragraph (3) of 24 CFR 578.3 if the CoC is approved to serve persons in paragraph (3).

d. YHDP Renewal and Replacement projects including YHDP projects created through reallocation must serve youth aged 24 or younger, including unaccompanied and pregnant or parenting youth who:

(1) qualify as homeless under paragraphs (1), (2), or (4) of the homeless definition in 24 CFR 578.3 or Section 103(b) of the McKinney-Vento Homeless Assistance Act;

(2) have an unsafe primary night-time residence and no safe alternative to that residence; or

(3) qualify as homeless under paragraph (3) of 24 CFR 578.3 if the CoC is approved to serve persons in paragraph (3).

11. Performance-Based Decisions.

a. The CoC must review each project application submitted to the CoC for inclusion on the FY 2025 CoC Priority Listing as part of the CoC Consolidated Application and either approve and rank or reject project application submissions. All project applications approved by the CoC must be listed on the CoC Priority Listing in rank order.

Higher ranked projects will be assigned to Tier 1 and lower ranked projects will be assigned to Tier 2 as described in sections V.D.3.a and V.D.3.b of this NOFO. This two-tiered approach for CoCs notifies HUD which projects are prioritized for funding based on project performance, local needs, and gaps.

b. Consistent with the requirements of the Consolidated Appropriations Act, 2024:

(1) Requests for new CoC project applications are allowed if the CoC evaluates and competitively ranks projects based on how they improve the CoC's system performance as outlined in section V.B.1.a.(1) of this NOFO; and

(2) HUD will prioritize funding for CoCs that have demonstrated the capacity to reallocate funding from lower to higher performing projects.

12. Coordination with Housing and Healthcare.

The Consolidated Appropriations Act, 2024 directs HUD to provide incentives to create projects that coordinate with housing providers and healthcare organizations to provide permanent supportive housing and rapid rehousing services. In the 2025 CoC Program

Competition, CoCs may receive up to 4 points on the CoC Application if the FY 2025 CoC Priority Listing includes new TH, PH-PSH or PH-RRH project applications created through reallocation or CoC Bonus that utilizes housing resources and healthcare provided through an array of healthcare services and housing providers. See section V.B.1.c of this NOFO for additional details.

TABLE OF CONTENTS

IV. APPLICATION CONTENTS AND FORMAT

Applications must include three main elements: a) standard forms, assurances, and certifications; b) budget; and c) narratives and other attachments. The content, forms, and format for each element are included in this section.

You may use this section as a checklist to ensure you submit a complete application.

If you don't provide the required documents in the correct format, your application is incomplete.

The following forms are not built into e-snaps but are required to be submitted by Collaborative applicants with the CoC Priority listing:

1. Certification of Consistency with the Consolidated Plan Form HUD-2991.

The standard form, Certification of Consistency with the Consolidated Plan (form HUD-2991), in which a state or local official certifies that the proposed activities or projects are consistent with the jurisdiction's Consolidated Plan and, if the project applicant is a state or unit of local government, that the jurisdiction is following its Consolidated Plan per the requirement of 24 CFR part 91. Collaborative Applicants must download a new [HUD-2991](#) and complete it for all project applications submitted and listed on the CoC Project Listings either by submitting one correctly signed and dated HUD-2991 form from the appropriate jurisdiction(s) that includes an attachment listing of all submitted project applications, or a single signed and dated HUD-2991 for each individual project application from the appropriate jurisdiction.

Any applicant that is not a Tribe or TDHE proposing to site a project on a reservation or trust land must include a Tribal resolution or a letter from an official or principal of the Indian Tribe or TDHE, who is authorized to act on behalf of the Indian Tribe or TDHE. Tribes do not need to include a Tribal resolution to site a project on their own reservation or trust land. A Tribal resolution is the formal manner in which the Tribal government expresses its legislative will in accordance with its organic documents. In the absence of such organic documents, a written expression adopted pursuant to Tribal practices is acceptable.

A CoC that is not a Tribe or TDHE that proposes to locate a new project on a reservation or trust land that is not currently included in the CoC's approved geographic service areas, identified during the CoC Registration process, are required to obtain a Tribal Resolution from the Tribe or TDHE and attach it to the CoC Priority Listing.

B. Budget

You must submit a budget with your application to support your project narrative.

At a minimum, your budget must indicate direct and any indirect costs.

You must also submit form HUD-426, based on the requirements in [Section III.E.](#) of this NOFO.

The project application in e-snaps includes the budget forms available under this NOFO. Project applicants will select the appropriate budget form(s) based on the requested activities and must be completed for the proposed project. Additionally, there is a section to capture indirect cost rate and the HUD-426 form, if applicable.

Eligible Costs.

Except as otherwise stated below, 24 CFR 578.37 through 578.63 identifies the eligible costs that applicants may request under the CoC Program.

1. YHDP Costs.

Eligible costs for YHDP projects originally funded under the YHDP Competition are also eligible YHDP Renewal project costs under this NOFO (see section IV.D.1.h of this NOFO).

Additionally, YHDP Renewal projects may include the YHDP Special Activities described in IV.B.2 below, subject to Renewal project requirements in sections IV.D.2 including IV.D.2.f.(2) of this NOFO. YHDP Replacement including YHDP Reallocation project applications under this NOFO may include requests for eligible CoC Program Costs, the YHDP activities described in section IV.D.1.i and the YHDP Special Activities in section IV.B.2 below. HUD will reject any requests for ineligible costs, except as otherwise provided in this NOFO.

2. Special YHDP Activities.

YHDP Renewal and YHDP Replacement including YHDP Reallocation projects may submit applications that include the following special YHDP activities, which are ineligible under the CoC Program, subject to the conditions specified in this section:

a. Recipients may carry out the activities below with written notice to the Director of HUD's Office of Special Needs Assistance Programs (SNAPS), subject to the requirements governing grant agreement amendments at 24 CFR 578.105. HUD will consider the inclusion of these activities in the project application as notification to the Director of SNAPS.

(1) Housing projects may have leases for a minimum term of 1 month plus 1 day under rental assistance budget line items.

(2) Projects may use leasing, sponsor-based rental assistance, and project-based rental assistance in RRH projects.

(3) In addition to the eligible costs listed in 24 CFR 578.59(a), recipients may use project administration funds to support costs of involving youth with lived experience in project implementation, execution, and improvement.

(4) Recipient may use project administrative funds to attend conferences and trainings that are not HUD-sponsored or HUD-approved, provided that the subject matter is relevant to youth homelessness.

(5) Projects may employ youth who are receiving services, or housing assistance, from the recipient organization. Recipients that use this special YHDP activity must maintain documentation that discloses the nature of work that the youth performs, and that the youth is not in a position that creates a conflict of interest.

(6) Projects may use habitability standards in 24 CFR 576.403(c) rather than the housing standards in 24 CFR 578.75 for short- or medium-term (up to 24 months) housing assistance. Recipients implementing this special YHDP activity must keep documentation of which standards they apply to the units and proof that the units complied with standards before assistance is provided for every unit funded.

(7) Recipients may provide moving expenses to a program participant more than once.

(8) Recipients may provide payments of up to \$500 per month for families that provide housing under a host home and kinship care model to offset the increased costs associated with having youth housed in the unit.

(9) YHDP recipients may continue providing supportive services to program participants for up to 12 months after the program participant exits homelessness, transitional housing or after the end of housing assistance.

(10) Projects using grant leasing funds may pay above the Fair Market Rent (FMR) for individual units as long as the amount paid is consistent with the reasonable rent standards at 24 CFR 578.51(g).

(11) Recipients may use grant funds for the following if they are necessary to assist program participants to obtain and maintain housing. Recipients and subrecipients must maintain records establishing how it was determined that paying the costs was necessary for the program participant to obtain and retain housing and must also conduct an annual assessment of the needs of the program participants and adjust costs accordingly:

- (a)** Security deposits for units in an amount not to exceed 2 months of rent.
- (b)** The costs to pay for any damage to housing due to the action of program participants, which may be paid while the youth continues to reside in the unit. The total costs paid for damage per program participant may not exceed the cost of 2 months' rent.
- (c)** The costs of providing household cleaning supplies to program participants.
- (d)** Housing start-up expenses for program participants, including furniture, pots and pans, linens, toiletries, and other household goods, not to exceed \$300 in value per program participant.

- (j)** In addition to transportation costs eligible in 24 CFR 578.53(e)(15), recipients may pay gas and mileage costs for a program participant's personal vehicle for trips to and from medical care, employment, childcare, or other services eligible under this section.
- (k)** Legal fees, including court fees, bail bonds, and required courses and equipment.

Additionally, recipients may pay for program participants' costs for insurance and registration for personal vehicles, if the personal vehicle is necessary to reach medical care, employment, childcare, or

other services eligible under this section.

(12) Recipients of housing projects (RRH, TH, TH-RRH, and PSH) may use YHDP funds to pay for owner incentive and retention payments before occupancy of the unit, or at any point thereafter, provided that the overall amount paid with program funds per unit occupied by the program participant does not exceed three times the rent charged for the unit. These payments may include signing bonuses (a payment offered to an owner as an incentive for leasing a unit to be occupied by a program participant), repairs to bring the unit into compliance with program requirements, or holding fees to reserve a unit for an individual or family experiencing homelessness.

b. *YHDP Exceptions.* Under the conditions specified below, recipients may make use of the following built-in exceptions to this NOFO's requirements, subject to approval by the Director of SNAPS and requirements governing grant agreement amendments at 24 CFR 578.105. To expedite grant agreement processing, applicants should include as much information as possible as part of their project application to demonstrate they meet the conditions specified below.

(1) Projects may provide up to 36 months of RRH rental assistance to program participants if the recipient demonstrates: (1) the method it will use to determine which youth need rental assistance beyond 24 months and (2) the services and resources that will be offered to ensure youth are able to sustain their housing at the end of the 36 months of assistance.

(2) Projects may continue providing supportive services to program participants for up to 24 months after a program participant exits homelessness, transitional housing or after housing assistance ends if the recipient demonstrates: (1) the proposed length of extended services to be provided; (2) the method it will use to determine whether services are still necessary; and (3) how those services will result in self-sufficiency and ensure stable housing for program participants.

(3) Projects may continue providing supportive services to program participants for up to 36 months after program participants exit homelessness, if the services are in connection with housing assistance, such as the [Foster Youth to Independence initiative](#), or if the recipient can demonstrate that extended supportive services ensures continuity of caseworkers for program participants.

(4) Rental assistance may be combined with leasing or operating funds in the same unit, provided that the recipient submits a project plan that includes safeguards to ensure that no part of the project would receive a double subsidy.

(5) Projects may provide payments of up to \$1,000 per month for families that provide housing under a host home and kinship care model, provided that the recipient can show that the additional cost is necessary to recruit hosts to the program.

(6) YHDP recipients may pay for short-term (up to three months) emergency lodging in motels or shelters as the transitional housing component in a Joint transitional housing-rapid rehousing (TH-RRH) project, provided that the recipient can demonstrate that use of the hotel or motel room is accessible to supportive services.

c. *Innovative Activities.* In addition to the specific activities authorized above or in 24

CFR part 578, other innovative activities to reduce youth homelessness may be carried out in a YHDP project, subject to approval by the Director of SNAPS and requirements governing grant agreement amendments at 24 CFR 578.105. Requests to carry out YHDP innovative activities are permitted to be requested in any YHDP application. YHDP Replacement applicant must demonstrate to HUD that the activity meets the following criteria; and to expedite grant agreement processing, must include as much information as possible as part of their project application.

YHDP Renewal or YHDP Replacement applications requesting to carry out Innovative Special YHDP Activities must demonstrate the following:

- (1) The activity is approved by both the Youth Action Board (YAB) and the CoC, as evidenced by letters of support from each organization. For purposes of this section, a YAB is defined as a group of at least 4 youth – aged 24 or younger - with voting power on policy decisions of the CoC (particularly on policies that relate to preventing and ending youth homelessness, and where at least two-thirds of the members have lived experience/expertise of homelessness. The YAB must be a formal committee of the CoC. The YAB should be representative of the youth and young adult population experiencing homelessness in the community;
- (2) That activity will be testing or likely to achieve a positive outcome in at least one of the four core outcomes for youth experiencing homelessness (stable housing, permanent connections, education/employment, and well-being);
- (3) The activity is cost-effective; and
- (4) The activity is not in conflict with fair housing, civil rights, or environmental regulations.

3. Rural Costs for Projects Originally Awarded Under the Rural Set Aside of the Special CoC NOFO Competition.

Projects originally awarded under the Rural Set Aside through the Special CoC NOFO Competition may submit applications that include the following costs (Note: CoC Projects not originally funded under the Rural Set Aside of the Special NOFO Competition are not permitted to request funding under this cost category):

- a. Rent or utility assistance after 2 months of nonpayment of rent or utilities to prevent eviction or loss of utility service. Funds may be used to pay rent or utility arrear payments up to 6 months on behalf of program participants residing in permanent housing.
- b. Repairs, (such as insulation, window repair, door repair, roof repair, and repairs) that are necessary to make housing habitable to be used for transitional or permanent housing by people experiencing homelessness. The total cost of repairs may not exceed \$10,000 per structure.
- c. **Capacity building activities.** Capacity building activities are those activities that maintain or improve the skills of recipients. Eligible capacity building activities include employee education, job training, staff retention activities such as financial incentives to staff, paying for continuing education opportunities, cross-training within an organization, staff training and professional licensing or certification, and other professional

development activities. An applicant may apply for up to 20% of funds requested as part of the project, including project administrative costs, for capacity building activities.

d. *Emergency food and clothing assistance.* The cost of providing meals or groceries and clothing to program participants are eligible costs.

e. Costs associated with making use of Federal Inventory property programs to house individuals and families experiencing homelessness. Federal Inventory property programs means the Use of Federal Real Property to Assist the Homeless program authorized by title V of the Act, and implemented by 24 CFR part 581, and the Single Family Property Disposition Program authorized by section 204(g) of the National Housing Act (12. U.S.C. 1710(g)) and implemented at 24 CFR part 291 Eligible costs are: preparing and submitting applications to obtain ownership of the real property; transfer taxes; recording fees; closing costs; building permit and zoning fees; attorney's fees; rehabilitation of buildings and structures on the property necessary to bring them into compliance with local building codes and to convert them to the intended homeless assistance use; water, sanitation, sewer and utility hook-up fees and deposits and bringing lines to the property; wells; septic systems; and improving access to the real property from public roads.

4. VAWA Costs Information.

Section 605(a)(2) of VAWA 2022 amended section 423(a) of the McKinney-Vento Homeless Assistance Act to add the following eligible activity to the CoC program: "Facilitating and coordinating activities to ensure compliance with the emergency transfer plan requirement in [\[34 U.S.C. 12491\(e\)\]](#) and monitoring compliance with the confidentiality protections in [\[34 U.S.C. 12491\(c\)\(4\)\]](#)."

HUD has determined that eligible activities paid for under the VAWA costs category are not subject to the CoC program's spending caps on administrative costs under section 423(a)(10), (11), and (12). This activity may be included in new project applications, added to eligible renewal projects through expansion or added to eligible renewal projects by shifting up to 10 percent of funds from one eligible activity to the VAWA costs line item.

a. Examples of eligible costs for emergency transfer facilitation include the costs of assessing, coordinating, approving, denying and implementing a survivor's emergency transfer which includes:

(1) Assistance with moving costs. Reasonable moving costs to move survivors for an emergency transfer.

(2) Assistance with travel costs. Reasonable travel costs for survivors and their families to travel for an emergency transfer.

(3) Security Deposits. Grant funds can be used to pay for security deposits of the safe units the survivor is transferring to via an emergency transfer.

(4) Utilities. Grant funds can be used to pay for costs of establishing utility assistance in the safe unit the survivor is transferring to.

(5) Housing Fees. Fees associated with getting survivors into a safe unit via emergency transfer, includes but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.

(6) Case management. Grant funds can be used to pay staff time necessary to assess, coordinate and implement emergency transfers.

(7) Housing navigation. Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfers.

(8) Technology to make an available unit safe. Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone and internet service when necessary to support security systems for the unit, etc.

b. Examples of eligible costs for monitoring compliance with the VAWA confidentiality requirements include the costs of ensuring compliance with the VAWA confidentiality requirements which includes:

(1) Monitoring and evaluating compliance with VAWA confidentiality requirements.

(2) Developing and implementing strategies for corrective actions and remedies.

(3) Program evaluation of confidentiality policies, practices and procedures.

(4) Training on compliance with VAWA confidentiality requirements.

(5) Reporting to Collaborative Applicant, HUD and other interested parties on compliance with VAWA confidentiality requirements.

(6) Costs for establishing methodology to protect survivor information.

(7) Staff time associated with maintaining adherence to confidentiality requirements.

5. Rural Costs Information.

Section 5707 of the James M. Inhofe National Defense Authorization Act for Fiscal Year 2023 (PL 117-263, December 23, 2022, 136 Stat 2395) amended section 423(a) of the McKinney-Vento Homeless Assistance Act to allow projects in rural areas [as defined in section 2.b.(9) of the Appendix] to use program funds to pay for the following eligible activities:

a. Payment of short-term emergency lodging, including in motels or shelters, directly or through vouchers.

b. Repairs to units in which individuals and families experiencing homelessness will be housed; or are currently not fit for human habitation.

c. Staff training, professional development, skill development, and staff retention activities.

HUD has determined that eligible activities paid for under the rural costs category may be included in new project applications or added to eligible renewal projects through expansion. This rural cost category does not apply to projects originally awarded under the Rural Set Aside through the Special NOFO.

HUD published a list of CoCs located in rural areas on the [CoC Program page](#) on the HUD.gov website.

C. Narratives and Other Attachments

If applicable, you must upload narrative and non-form attachments in e-snaps.hud.gov. When adding the attachments to the form, you can upload PDF, Word or Excel formats.

Collaborative Applicants will provide narrative responses about the CoC planning body, governance structure, overall performance, and the strategic planning processes in esnaps. The CoC Application describes the CoC's plan for ending homelessness and increasing self-sufficiency and recovery, its system-level performance, and addresses the merit criteria specified in section V.B of this NOFO. HUD scores this part of the application with all charts and narratives completed (as applicable) and all required attachments to determine the order in which competitively ranked CoC projects are funded.

Project applicants will provide narrative responses to questions in e-snaps that demonstrate their ability to meet project eligibility and project quality threshold requirements.

D. Other Application Content

1. Eligible Project Applications.

The following types of project applications will be eligible for completion and submission under this NOFO.

a. CoC Planning projects. All Collaborative Applicants are eligible and encouraged to apply for CoC Planning funds which they may use according to 24 CFR 578.39. CoC Planning project applications must be submitted by the CoC-designated Collaborative Applicant and the Collaborative Applicant organization must match the organization listed as the Collaborative Applicant in the CoC Applicant Profile in e-snaps. Planning projects will not affect a CoC's available amount for new and renewal project applications because it is not included in the CoC's ARD calculation.

b. UFA Costs projects. Only those CoC-designated Collaborative Applicants approved for UFA designation by HUD are eligible to apply for UFA Costs project funds as described in 24 CFR 578.41. UFA Costs project application must be submitted by the CoC-designated Collaborative Applicant and the Collaborative Applicant organization must match the organization listed as the Collaborative Applicant in the CoC Applicant Profile in e-snaps. UFA Costs projects will not affect a CoC's available amount for new and renewal project applications as it is not included in the CoC's ARD calculation.

c. CoC Bonus Project. The CoC Bonus allows CoCs to use up to 20 percent of their Final Pro Rata Need (FPRN) to create one or more new project applications. New projects

created through the CoC Bonus must meet the project eligibility and project quality threshold requirements established by HUD in sections V.A.4.a and V.A.4.b of this NOFO. To be eligible to receive a CoC Bonus project, the Collaborative Applicant must demonstrate its CoC evaluates and ranks projects based on how they improve system performance as outlined in section V.B.1.a.(1) of this NOFO.

d. *Domestic Violence, Dating Violence, Sexual Assault, and Stalking Renewal Projects (DV Renewal Projects)*. Are eligible renewal projects that were previously funded, in whole or in part, with DV Bonus funding or were at some point expanded using DV Bonus funding to continue serving individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking and who qualify under paragraphs (1) or (4) of the definition of homelessness at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act. This incorporates by reference all applicable protections and obligations under VAWA as provided for in Section I.A.

e. *Domestic Violence, Dating Violence, Sexual Assault, and Stalking New Projects (DV Bonus and DV Reallocation Projects)*. A new project that is dedicated to serving individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking and who qualify under the paragraphs (1) or (4) of the definition of homeless at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act. As described in section 2.b.(5) of the Appendix, survivors of human trafficking may also qualify as homeless under paragraph (4) of the homeless definition at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act because they are often also victims of domestic violence, dating violence, sexual assault, or stalking, however a DV Bonus project may not exclusively serve people fleeing or attempting to flee human trafficking. CoCs may apply for DV Bonus projects where the total amount for one year of funding for all DV Bonus applications is up to 10 percent of its Preliminary Pro Rata Need (PPRN); however, this amount is limited to:

- A minimum of \$50,000 if 10 percent of the CoC's PPRN is less than \$50,000; or
- A maximum of \$5 million if 10 percent of the CoC's PPRN is more than \$5 million.

See sections V.A.4.b and V.D.3.d of this NOFO for project application requirements and how DV Bonus projects will be reviewed and selected.

(1) To be eligible to receive DV Bonus projects, the Collaborative Applicant must demonstrate its CoC evaluates and ranks projects based on how they improve system performance as outlined in section V.B.1.a.(1) of this NOFO.

(2) CoCs may reallocate eligible DV Renewal to create new DV Reallocation projects that are dedicated to serving individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking and who qualify under paragraphs (1) or (4) of the definition of homelessness act. DV Bonus funding and funding made available from the reallocation of expiring DV Renewal projects may be used for "new rapid re-housing projects and supportive service projects providing coordinated entry, and for eligible activities that the Secretary determines to be critical in order to assist individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence,

sexual assault, or stalking.”

(3) New projects or expansion projects created with DV Bonus or DV Reallocation funding, must meet DV Bonus and DV Reallocation project requirements. Additionally, the sum of all DV Reallocation applications must be for the same amount of funding made available from the DV Renewal funding being reallocated. If a CoC reallocates funding from a DV Renewal grant and does not use those funds for new project(s) that are 100 percent dedicated to the eligible population established in this section, HUD may condition the project applications to ensure the projects are serving the required subpopulation. If an applicant does not resolve the condition placed on the project, HUD may withdraw the award. To avoid any potential delays in funding or a loss in ARD, CoCs should review the FY 2025 GIW provided by HUD to determine which renewal projects were originally awarded DV Bonus or DV Reallocation funds, including CoC projects that were expanded with DV Bonus or DV Reallocation funding in a prior year competition.

The following restrictions apply to the DV Reallocation process:

- (a)** DV Renewal projects that have a SSO-CE component cannot be reallocated.
- (b)** Reallocated DV Renewal funding cannot be used to expand a CoC or YHDP Renewal grant.
- (c)** DV Renewal projects cannot be reallocated to create new non-DV CoC projects. If HUD determines that a project applicant incorrectly classified one or more new projects as a DV Reallocation, HUD may reclassify the project(s). For example, if the proposed project is not dedicated to serving individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, and stalking, HUD may condition the project to ensure the required population is served.
- (d)** If a project does not have enough funding available from reallocation sources, HUD will reduce the project to the amount available, if any, and determine if the project is feasible at the reduced rate.

f. *New Projects Created Through DV Bonus or DV Reallocation Processes.*

- (1)** DV Bonus and DV Reallocation may only be used to create new SSO-Coordinated Entry, Rapid Re-housing (PH-RRH), and Transitional Housing (TH) projects.
- (2)** For PH-RRH and TH projects, the application must demonstrate:
 - (a)** The project applicant’s experience serving individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking, and their ability to house survivors and meet safety outcomes.
 - (b)** The project’s inclusion of victim-centered practices.
 - (c)** Demonstration of plan to include survivors with lived expertise.
- (3)** Supportive Services Only Coordinated Entry (SSO-CE) must be designed to implement policies, procedures, and practices that equip the CoC’s coordinated entry

to better meet the needs of people experiencing homelessness who are experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking (e.g., to implement policies and procedures that are trauma-informed, client-centered or to better coordinate referrals between the CoC's coordinated entry and the victim service providers coordinated entry system where they are different). SSO-CE project applications created with DV Bonus and DV Reallocation funding must also demonstrate its plan to involve survivors in policy and program development throughout the project's operation.

g. *New Projects Created with CoC Bonus or Through the CoC Reallocation process.*

CoCs may apply for the following types of new CoC projects through the CoC Bonus or CoC Reallocation processes:

(1) SSO projects.

(2) TH projects.

(3) PH-PSH projects.

(4) PH-RRH projects.

(5) Dedicated HMIS project for the costs at 24 CFR 578.37(a)(4) that may only be carried out by the HMIS Lead, which is the recipient or subrecipient of an HMIS grant and is listed on the HMIS Lead form in the CoC Applicant Profile in e-snaps.

Additionally, if the CoC has organizations within its geographic area that are victim service providers, the HMIS Lead, or subrecipient, may request HMIS funds for a comparable database. Victim service providers may also request HMIS funds in their project application budgets to enter data into a comparable database.

(6) SSO-CE project to develop or operate a Coordinated Entry system.

Prior to completing a new project application created using CoC Bonus funds or through the reallocation process, project applicants should consult with the CoC to determine which of these options is available to be locally selected as part of the CoC.

If HUD determines that a CoC Bonus or CoC Reallocation project applicant or a Collaborative Applicant incorrectly classified one or more new projects as reallocation or CoC Bonus, HUD may reclassify the project(s) as either reallocation or CoC Bonus if the CoC exceeded either its reallocation or CoC Bonus amounts. For example, if a project applicant or the Collaborative Applicant classified a new project application as reallocation but did not reallocate funds in whole or part from an eligible renewal project, and there are CoC Bonus funds available, HUD may reclassify the new project application as CoC Bonus during its review. If a project applicant uses both reallocation and CoC Bonus amounts to create a single new project but did not have enough available from either source, HUD will reduce the project to the amount available, if any.

If a project applicant or the Collaborative Applicant classified a new project application as reallocation but did not reallocate funds in whole or part from an eligible renewal project, HUD may reduce the funding amount or reject the new project application during its review.

For new projects created through the CoC Bonus process, HUD must determine the CoC

has demonstrated that the projects are evaluated and ranked based on the degree to which they improve the CoC's system performance.

h. *Youth Homeless Demonstration Program (YHDP)*. Consistent with the requirements of the Consolidated Appropriations Act, 2024, funding for the CoC Program may be used to competitively or non-competitively renew or replace grants for YHDP projects.

In order to ensure the best use of federal dollars, HUD will competitively award all YHDP projects, including renewal and replacement YHDP projects. CoCs seeking to reallocate YHDP projects may only reallocate to other youth projects. See section IV.D.1.i below of this NOFO for additional information.

While YHDP projects can use the replacement process to consolidate projects as outlined in section IV.D.1.i and IV.D.1.k below, these projects cannot consolidate with non-YHDP projects. YHDP Renewal projects may apply to expand its current project through the YHDP Replacement process. Unified Funding Agencies (UFAs) are prohibited from moving funds out of or into YHDP-funded projects and mixing funding from any other non-YHDP funded project. UFAs may replace eligible YHDP renewal projects.

All YHDP Renewal and YHDP Replacement projects, including YHDP reallocation, are subject to the following provisions of the Rule, as may be amended from time to time, except where they conflict with the NOFO requirements, with the Special YHDP Activities identified in section IV.B.2 of this NOFO, or the requirement that grant funds may only be used to serve homeless youth, age 24 and younger: 24 CFR 578.3, 578.15, 578.23, 578.25, 578.27, 578.29, 578.37, 578.43, 578.45, 578.47, 578.49, 578.51, 578.53, 578.55, 578.57, 578.59, 578.61, 578.63, 578.73, 578.75, 578.77, 578.79, 578.81, 578.83, 578.85, 578.87, 578.89, 578.91, 578.93 except in 578.93(c)(2), recipients must provide such information to the jurisdiction in which the project is located, 578.95, 578.97, 578.99, 578.103(a)(3) - (18) and (b) - (e), 578.105, 578.107 and 578.109. The requirements of 2 CFR 200.306, as may be amended from time to time, with the exception of 200.306(b)(5) apply. All YHDP Renewal, YHDP Replacement and new YHDP Reallocation projects must comply with 24 CFR 578.93, except that in 578.93(c)(2), recipients must provide such information to the jurisdiction in which the project is located. Federal fair housing and nondiscrimination requirements cannot be waived.

i. *New YHDP Projects Created through YHDP Replacement processes*. CoCs may replace renewing YHDP project(s) to create one or more new YHDP Replacement projects, including YHDP Reallocation (see section 2.b.(12) of the Appendix for more information).

(1) YHDP Renewal project applicants may submit renewal applications for minor changes to a project, including adding or modifying select Special YHDP Activities under section IV.B.2; however, if a renewing YHDP project applicant chooses to modify the current project in a way that does not meet the definition of renewal project found at IV.D.2 of this NOFO, it must submit a YHDP Replacement project application.

(2) A YHDP Renewal project applicant may apply to expand its current project through the YHDP Replacement process. See section IV.D.1.j.(3) for more information.

(3) A YHDP Replacement project application must:

(a) demonstrate that the project is consistent with the CoC's most recent Coordinated Community Plan; and

(b) For YHDP replacement projects that are not reallocations, include the grant number from the YHDP Renewal project(s) being replaced with the YHDP Replacement project application. The CoC's Collaborative Applicant is responsible for ensuring that only a renewal YHDP or replacement YHDP project application is submitted through the CoC Project Priority Listing. If the Collaborative Applicant submits both a renewal and replacement YHDP project application for the same project, HUD will only select the renewal YHDP project application;

(4) HUD will only fund new YHDP Reallocation projects through the YHDP Replacement process as described below and in sections IV.D.1.h and IV.B.2 of this NOFO:

(a) TH or Crisis Residential Transitional Housing which is a form of transitional housing that is short-term, low-barrier, using a congregate living setting, and provides access to the following supportive services in particular: family engagement and unification, case management, emergency triage services and other supportive services whose purpose is to move youth rapidly into stable housing.

(b) SSO, including, but not limited to, housing search and placement services, case management, or street outreach.

(c) SSO-CE.

(d) SSO - Host Home and Kinship Care. A model in which a family agrees to permit a youth to reside with them. Recognizing that the addition of another person in the home may increase costs to the family, HUD will entertain applications that propose to house youth with families and to subsidize the additional costs attributable to housing the youth. The residence is in a community-based setting. The family could be related to the youth and the length of stay may be time-limited or without time limits. YHDP funds may be used to subsidize the increased costs to the family that are attributable to housing the youth. An example of eligible costs would be additional food or transportation costs, which are eligible supportive services under 24 CFR 578.53(e)(7) or 24 CFR 578.53(e)(15). Recipients must keep records related to this determination by the recipient for HUD review upon request.

(e) HMIS.

(5) HUD will review new YHDP Reallocation and YHDP Replacement project applications to ensure the activities requested are eligible and the amounts requested do not exceed the amounts available for YHDP reallocation or, in the case of YHDP Replacements, the ARA of the renewal project(s) being replaced. HUD will not reject YHDP project applications; however, HUD may require YHDP grant recipients to correct or revise information submitted after the final award announcement, prior to executing the grant agreement.

j. **Expansion Project.** The process used by eligible renewal project applicants to add

funds to an existing CoC Renewal, DV Renewal or YHDP Renewal project to expand its current operations either through reallocation, DV Bonus or a CoC Bonus project application. The new funding being added to the existing renewal must be submitted as a new project in e-snaps. This portion of the project is known as new expansion project. Expansion projects for permanent housing should be included in the Extended Track Priority Listing.

HUD will allow project applicants to apply for new expansion projects to expand existing projects to increase the number of units, persons served, services provided to existing program participants, or to add additional activities to HMIS and SSO-CE projects.

The new expansion project applications must meet the project eligibility and project quality thresholds in V.A.4.a and V.A.4.b of this NOFO and must be for the same component as the project being expanded. Additionally, the renewal project being expanded must have an expiration date in CY 2026.

In the case of YHDP Replacement applications to expand existing YHDP Renewal projects, applicants must submit a YHDP Replacement and a YHDP Reallocation application separately and each project must be included in the CoC's Priority Listing.

If a project application does not meet the following requirements, or if the renewal project the new project application is proposing to expand is not selected for award, HUD will review the new expansion project and will consider it as a standalone project during the selection process provided that the project is feasible on its own with its requested funding and provided it passes project eligibility and project quality threshold requirements.

If both the new expansion project and the renewal project it expands are conditionally selected for funding, one grant agreement incorporating both approved project applications will be executed.

(1) The following limitations apply to expansion grant applications:

(a) If the new expansion project exceeds the amount of funding available to the CoC under the reallocation or Bonus processes, HUD will reduce the funding request for the new expansion project to the available amount, which could affect the activities of the new expansion project.

(b) HUD will not fund expansion applications that include requests for capital costs (i.e., new constructions, rehabilitation, or acquisition) and will only allow 1-year funding requests.

(c) Recipients cannot apply to expand a project included in a grant consolidation during the same funding year. If an applicant applies to expand a project included in a grant consolidation, HUD may consider the expansion project for funding if it meets all the requirements of a new standalone project.

(d) CoC Bonus, CoC Reallocation, DV Bonus, or DV Reallocation funding cannot be used to expand a YHDP renewal project.

(e) If CoC Bonus, CoC Reallocation, DV Bonus, or DV Reallocation funding is used to expand a DV Renewal project, the entire expanded project must be 100 percent dedicated to serving individuals and families who are fleeing or attempting to flee

domestic violence, dating violence, sexual assault, or stalking and who qualify under paragraph (1) or (4) of the definition of homeless at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act and the project must meet all the DV project requirements in sections IV.D.1.e and IV.D.1.f of this NOFO.

(f) New YHDP projects created with reallocated YHDP funding may be used to expand an existing YHDP renewal project through the YHDP Replacement process. The expansion YHDP project must meet the requirements of a new YHDP Replacement application.

(2) Project applicants expanding an eligible CoC Renewal or DV Renewal project must:

(a) submit a separate renewal project application and the new project application with expansion information (both projects must be ranked by the CoC with unique rank numbers);

(b) in the new project application, enter the grant number of the eligible renewal project proposed for expansion;

(c) indicate how the new project application will expand units, beds, services, persons served, or services provided to existing program participants, or in the case of HMIS or SSO-CE projects, how the current activities will be expanded for the CoC's geographic area; and

(d) ensure the funding request for the expansion grant is within the funding parameters allowed under CoC Bonus, CoC Reallocation, DV Bonus, or DV Reallocation amounts available.

(3) Project applicants expanding an eligible YHDP Renewal project through the YHDP Replacement process must:

(a) submit a new YHDP Reallocation project application with the expansion information through the YHDP Replacement process, including the grant number of the YHDP Renewal project being expanded.

(b) indicate how the expansion project application will expand units, beds, services, persons served, or services provided to existing program participants.

(c) ensure the funding request for the YHDP Reallocation application to expand the YHDP Renewal project is within the funding parameters allowed under the YHDP Reallocation amount available.

(d) ensure the YHDP Renewal and YHDP Reallocation project applications meet the requirements in sections IV.D.1.h and IV.D.1.i of this NOFO.

(4) DV Bonus and DV Reallocation Expansion Applications.

(a) DV Bonus and DV Reallocation funds can only be used for an application to expand an existing renewal project if the new expansion project is dedicated to individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking who qualify under paragraphs (1) or (4) of the definition of homeless at

24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act.

(b) Project applicants may use DV Bonus funds to expand an existing renewal project that is not currently dedicated to serving individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking to dedicate additional beds, units, persons served, or services provided to existing program participants of this population; however, only the new project application for the expansion will be considered for DV Bonus funds.

(c) If an applicant proposes to use DV Reallocation funds to expand an existing renewal project that is not currently dedicated to serving individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking to dedicate additional beds, units, persons served, or services provided to existing program participants of this population, the entire project, including the renewal project being expanded, must serve 100 percent individuals and families of persons experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking who qualify under paragraphs (1) or (4) of the definition of homeless at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act. In the case of DV Reallocation Projects, HUD will use the Tier 1 and Tier 2 selection process described in sections V.D.3.a, V.D.3.b and V.D.3.c of this NOFO.

k. Consolidation Project. Applicants intending to use the consolidation process to combine two or more, but no more than 10, eligible renewal projects (including renewing YHDP projects and renewal Special CoC NOFO Competition projects), may do so through the renewal project application. The projects being combined during a grant consolidation will continue uninterrupted. To be eligible for consolidation, the projects must have the same recipient and be for the same component.

(1) The period of performance and budget period of the expiring grants must have end dates in CY 2026. Applicants intending to use the consolidation process must ensure:

(a) Budget Line Items (BLIs) for the consolidated project application submitted, exactly match the sum of the BLIs for each of the individual projects as they appear on the grant agreement, or the grant agreement as amended;

(b) inclusion of the expiring grant numbers with period of performance and budget period start and end dates for the projects that are consolidating;

(c) are in good standing with HUD, meaning none of the projects have:

- i. outstanding audit or monitoring findings,
- ii. outstanding obligation to HUD that is in arrears,
- iii. unresolved construction delays,
- iv. a history of poor financial management/drawdown issues,
- v. history of low occupancy levels, or lack experience in administering the project type, or
- vi. other capacity issues.

(d) the projects have the same recipient and are for the same component.

(2) YHDP Renewal projects that wish to consolidate may establish a single YHDP Replacement grant to replace multiple YHDP Renewal grants.

(3) The following projects cannot be consolidated and if a project application meeting these characteristics attempts to consolidate, HUD will not consider the consolidation, but rather select the projects individually provided they pass project eligibility and project quality threshold requirements:

(a) a DV Renewal project cannot consolidate with a CoC Renewal project (a project not dedicated to serving individuals and families who meet the eligibility criteria in Section III.G.10.(c) of this NOFO, including a project originally funded under the Special NOFO Competition, and a YHDP Renewal project), or a project originally funded under the Special CoC NOFO Competition;

(b) a YHDP Renewal project cannot consolidate with a CoC Renewal project (including those projects originally funded **under the Special CoC NOFO Competition**) or a DV Renewal project;

(c) a project originally funded under the Special CoC NOFO Competition through the Rural Set Aside cannot consolidate with any other type of project (e.g., a project originally funded with DV Bonus or a project originally funded through the Unsheltered Set Aside in the Special NOFO Competition) except another project originally funded through the Rural Set Aside. This means, a project originally funded under the Special NOFO through the Rural Set Aside can only consolidate with another Special CoC NOFO Competition project originally funded through the Rural Set Aside;

(d) a TH and a PH project cannot consolidate to form a Joint TH/PH-RRH component project;

(e) transition grants cannot consolidate with any other project; and

(f) recipients cannot apply to consolidate projects and apply to expand the consolidated project during the same funding year. If an applicant applies to expand projects that are involved in a consolidation of grants, HUD may consider the expansion project for funding if it meets all the requirements of a new standalone project.

(4) To request the consolidation of eligible renewal projects, project applicants must submit renewal projects for the individual projects to be included in the consolidation and each project application must identify the grant number that will survive which must be the grant number with the earliest start date CY 2026. Project applications for the grants that are proposed to be part of the consolidation must be ranked with a unique rank number for each project, and if all those grants are selected, HUD will conditionally award the single surviving grant based on its ranked position to include the amount of funding of all grants included in the consolidation. All other project applications included in the surviving grant will be removed from the CoC's ranking resulting in project applications below to slide up one ranked position. Project applicants must not submit a consolidated project application that contains two

different components (e.g., PH and TH).

(5) The start date for the consolidated grant, if conditionally awarded, will be the day after the expiration date of the eligible renewal project with the earliest expiration date. HUD will calculate the expiration date for the consolidated grant by averaging the expiration dates for all expiring grants included in the consolidated grant weighted by the size of each expiring grant. If that date falls on the first through the fifteenth of a month, then the expiration date will be the last day of the previous month. If the date falls on the sixteenth through the end of the month, then the expiration date will be the last day of the month.

(6) HUD will calculate the expiration date for the consolidated grant as follows: It will be 'X' months after the end of the 12th month after the start date for the consolidated grant with 'X' determined by calculating the sum for all grants of the total award times the number of months after the expiration of the first expiring grant that the grant expires and dividing that sum by the total award for the consolidated grant. If the calculation of 'X' results in a partial month, if it is less than 0.5, then the consolidated grant will expire on the last day of the previous month, and if it is 0.5 or more, then the consolidated grant will expire on the last day of the calculated month.

(7) Collaborative Applicants designated by HUD as UFAs have more flexibility in how they manage their CoC Program-funded projects, making the consolidation of projects during the CoC Program competition unnecessary. A Collaborative Applicant with UFA designation can consolidate projects during the grant term, so long as the consolidations are not combining different component types and the projects are funded under the same grant (e.g., projects are currently funded under the same renewal grant). If a UFA-designated Collaborative Applicant consolidates projects during the grant term, it can apply to renew them during the CoC Program Competition as consolidated projects.

I. *Transition Grant.* A Transition grant is an application to fund a new CoC project through the reallocation process to transition an eligible CoC renewal project (including a Special NOFO project or DV Renewal project) from one program component to another eligible component over a 1-year period. The renewal project transitioning to a new component must be fully eliminated through reallocation. Transition grant applications awarded FY 2025 funds must fully transition to the new component by the end of the 1-year grant term and may only apply for renewal in the next CoC Program Competition under the component to which it transitioned.

(1) Renewal Grants expiring in CY 2026 may submit a FY 2025 transition grant application to request a component type change. The transition grant's operating start date will be the day after the end of the previous grant term for the expiring component. For transition grants reallocated from more than one project, the operating start date of the transition grant will be the day after the end of the earliest expiring grant term. The grant term may be extended consistent with 2 CFR 200.308 and 2 CFR 200.309.

(2) Applicants wishing to apply for a transition grant must have the consent of its Continuum of Care; and the new project application must meet project eligibility and

project quality thresholds established by HUD in sections V.A.4.a and V.A.4.b of this NOFO. If the project application identifies the project as a transition grant and the CoC accepts the new transition grant project on the New Project Application Project Listing in the CoC Priority Listing, HUD will consider this as CoC consent.

(3) For a new project to be considered a transition grant, the new project applicant must be the recipient listed on the current grant agreement for the eligible renewal grant(s) being eliminated and must include the grant number(s) of the project(s) being eliminated to create the new project and attach a copy of the most recently awarded project application. For example, expiring FY 2024 grants applying to transition to a new component during the FY 2025 funding process will attach a copy of the FY 2024 CoC Program Competition project application.

(4) Transition Grant Restrictions: YHDP Renewal grants are not eligible to use the transition grant process. YHDP Renewal grants must submit a YHDP Replacement application to change component types.

If HUD determines a new project submitted as a transition grant does not qualify, but meets all other new project requirements, HUD may award the project as a new non-transition grant project. If this occurs, the new project operating start date will be reflected in the grant agreement.

2. Renewal Project Requirements.

As set forth in 24 CFR 578.33, projects may renew under the CoC Program NOFO to continue ongoing leasing, operating, supportive services, rental assistance, HMIS, and project administrative costs.

Awards HUD made under the CoC Program (including projects awarded 1-year of funding under the FY 2024 CoC Program funding opportunity), projects originally awarded under the Special NOFO, and YHDP projects are eligible for renewal with FY 2025 CoC Program funds if they are currently operating and have an expiration date in CY 2026 (the period from January 1, 2026, through December 31, 2026).

a. Renewal project applications must be submitted by the same recipient that signed the executed grant agreement for the grant being renewed, or entity that became the recipient through a grant agreement transfer amendment. To be eligible as a renewal project, the application must (1) be for the same amount of funding before any adjustments described in this NOFO (e.g. FMR adjustments), or the amount reduced due to reallocation ; (2) be for the same program component; and (3) in the case of DV Renewal projects and YHDP Renewal projects, must continue to serve the same subpopulation.

b. If HUD conditionally selects a renewal grant for funding that does not have an expiration date that meets the renewal eligibility requirements prescribed by this NOFO, HUD will withdraw any funds conditionally selected for award.

c. Projects that were eligible under predecessor programs, specifically Safe Haven projects, will continue to be eligible under the CoC Program and will continue to be eligible for renewal of leasing, operating, supportive services, rental assistance, HMIS, and project administrative costs under 24 CFR 578.33(d)(1) so long as the project continues to serve the same population and the same number of program participants or units in the

same type of housing as identified in their most recent grant agreement, amended grant agreement, signed before August 31, 2012. No new Safe Haven projects will be funded; however, existing Safe Haven projects may be renewed to continue to carry out activities that are eligible costs under Subpart D of the Rule.

d. The total request for each renewing project, including YHDP Renewal and YHDP Replacement projects, is limited to a project's ARA. Additionally, where two or more eligible projects are being consolidated through the project application, the total ARA of the consolidation project must be equal to or less than the sum of the original ARA of the renewal projects before consolidation. Because funds for acquisition, new construction, and rehabilitation are not renewable, grants being renewed whose original expiring award included acquisition, new construction, and rehabilitation funds may only renew leasing, supportive services, rental assistance, operating, and HMIS costs and must not exceed 10 percent in administrative costs.

e. HUD will recapture grant funds remaining unspent at the end of the previous grant period when it renews a grant.

f. HUD encourages the consolidation of eligible renewal grants as provided in Section IV.D.1.k of this NOFO. This does not apply to CoCs that HUD designates as UFAs, because UFAs enter into a single renewal grant agreement with HUD for the CoC's entire geographic area. If applicable, HUD issues a separate UFA grant agreement that only includes YHDP grants.

g. Subject to HUD approval and the terms of the NOFO, the following requests may be included in a renewal application:

(1) CoC renewal project applications (including DV Renewal projects and projects originally funded under the Special NOFO) may include non-significant changes including shifting up to 10 percent of funds from one approved eligible activity to another.

(2) YHDP Renewal project applications from any round may include non-significant changes including adding select Special YHDP Activities in section IV.B.2 and shifting up to 10 percent of funds from one approved eligible activity to another.

(3) Renewal applications that include requests to shift more than 10 percent of funds from one approved eligible activity to another and other significant changes as defined at 24 CFR 578.105 will not be considered during the CoC Program Competition by HUD. If an application includes a budget shift that exceeds 10 percent, HUD will correct the project budget to reflect the previously awarded budget amounts. Applicants seeking to make significant changes to their grant, such as shifting more than 10 percent of funds from an approved eligible activity, should contact their Field Office and request a grant agreement amendment.

(4) CoC renewal project applicants may also apply to transition an eligible renewal project from one program component to another eligible new component through reallocation and use those funds to create a single, new transition grant (see section IV.D.1.l of this NOFO). YHDP Renewal project applicants are not permitted to utilize the transition grant application process. YHDP applicants must submit a YHDP

Replacement application to change program components.

(5) YHDP Replacement projects cannot request capital costs (i.e., new construction, acquisition, or rehabilitation).

h. *Actual Per Unit Cost – Renewal Grants.* Applicants requesting renewal of grants for rental assistance may request a per-unit amount less than the Fair Market Rent (FMR) if the actual rent per unit under lease is less than the FMR. This will help reduce the number of projects receiving rental assistance that have large balances of unspent funds remaining at the end of the operating year. Renewal project applicants must ensure the amount requested will be sufficient to cover all eligible costs as HUD cannot provide funds beyond the amount awarded through the FY 2025 CoC Program funding process. Project applications for rental assistance cannot request more than 100 percent of the published FMR. New project applications must adhere to 24 CFR 578.51(f) and must request the full FMR amount per unit. See section V.D.5.a of this NOFO for additional information regarding FMR adjustments for projects receiving funds for rental assistance.

i. *Renewal Project Grant Terms.* Renewal project applications are limited to a 1-year grant term with 1 year of funding. HUD may extend the grant term consistent with 2 CFR 200.308 and 2 CFR 200.309.

Any renewal PH project that receives project-based rental assistance or operating costs may request up to a 15-year grant term; however, project applicants may only request 1 year of funding. HUD may extend the grant term consistent with 2 CFR 200.308 and 2 CFR 200.309. Project applicants must apply for the additional funds as a renewal project application prior to the anniversary of the first expenditure of grant funds by which date grant funds should have been expended; or, if HUD extends the date that funds must be expended, the date the extension expires. HUD does not guarantee CoC Program funds past the 1 year of renewal funding.

j. *Compliance and re-evaluation.* To maintain the competitive and objective nature of the CoC Program under the McKinney Vento Act and comply with 2 CFR 200.309 and 200.205, which together require renewals for federal grants to be issued based on objective and merit-based criteria, all renewals will be re-evaluated each year. Further, HUD may condition renewal on compliance with audits for large grant recipients (over \$1,000,000) as required by 2 CFR 200.501.

3. New Project Requirements.

CoCs are encouraged to submit new projects created through CoC Bonus, DV Bonus, CoC Reallocation, DV Reallocation or YHDP Replacement including YHDP Reallocation. A CoC designated Collaborative Applicant may submit a new CoC Planning project application, and if applicable, a UFA Costs project application in FY 2025.

To expend funds within statutorily required deadlines, applicants funded for sponsor-based and project-based rental assistance must execute the grant agreement and begin providing rental assistance within 2 years. However, HUD strongly encourages all rental assistance to begin within 12 months of award. Applicants that are unable to begin rental assistance within the 12-month period should consult with the local HUD CPD field office.

a. HUD will review project subrecipient eligibility as part of the project quality threshold

review process. Project applicants must submit documentation of the subrecipient's eligibility with the project application.

b. Any youth-serving provider funded under this NOFO may serve unaccompanied youth aged 24 and under (or families headed by youth aged 24 and under, including pregnant or parenting youth) who have an unsafe primary nighttime residence and no safe alternative to that residence.

c. Per the Consolidated Appropriations Act, 2024, to receive funding for a new CoC project, except those created through reallocation, HUD must determine the CoC has demonstrated that projects are evaluated and ranked based on the degree to which they improve the CoC's system performance (See more information on System Performance in sections III.B.6 and V.B.1.a.(1) of this NOFO).

d. *New Project Grant Terms.* The initial grant term for new project applications may be 1-year, 2-years, 3-years, 4-years, 5-years, or 15-years. HUD may extend the grant consistent with 2 CFR 200.308 and 2 CFR 200.309. The following exceptions apply:

(1) HUD will allow new projects to request 1 year of funding with a longer initial grant term not to exceed 18 months. HUD has determined that most new projects requesting 1 year of funding normally take approximately 3 to 6 months to begin fully operating the new project (e.g., hiring staff, developing partnerships with landowners if leasing or renting). Therefore, a new project requesting 1 year of funding may request a grant term of 12 months to 18 months that will allow for the additional start-up process. Any new projects requesting capital costs (i.e., new construction, acquisition, or rehabilitation) are not eligible for 1-year funding requests. See (7) below for more information on new projects requesting capital costs. Transition grant applications cannot request 18-month grant terms.

(2) Any new expansion project submitted to expand an eligible renewal CoC Program-funded project may only request a 1-year grant term, regardless of the project type.

(3) Any new project that requests tenant-based rental assistance may request a 1-year, 2-year, 3-year, 4-year, or 5-year grant term.

(4) Any new project that requests leasing costs - either leasing costs only or leasing costs plus other costs (e.g., supportive services, HMIS) - may request up to a 3-year grant term.

(5) The first year of funding for YHDP Replacement projects will be based on the 1-year renewal amount of the current YHDP project being replaced. The YHDP Replacement project's operating start date will be the day after the end of the previous grant term for the project being replaced.

(6) Any new project that requests project-based rental assistance or sponsor-based rental assistance, or operating costs may request up to a 15-year grant term; however, the project applicant may only request up to 5 years of funds. Funding for the remainder of the term is subject to availability. Applicants must apply for additional funds through a renewal project application in the competition held in the calendar year prior to the anniversary of the first expenditure of grant funds, or if HUD has extended the grant term, the date the extension expires. HUD does not guarantee

CoC Program funds past the initial 5-year grant term, if conditionally awarded.

(7) Any new project that requests operating costs, supportive services only, HMIS, and project administrative costs may request 1-year, 2-year, 3-year, 4-year, or 5-year grant terms with funding for the same number of years.

(8) Any new project conditionally selected by HUD that requests new construction, acquisition, or rehabilitation costs (capital costs) must request a minimum of a 3-year grant term and may request up to a 5-year grant term. Any new projects requesting capital costs are not eligible for 1-year funding requests. If a new project requests 1 year of funding with capital costs, HUD will increase the grant term to 3-years and the new project must spend the funds requested over a 3-year period.

If an applicant requests funds for new construction, acquisition, or rehabilitation in addition to requesting funds for operating, supportive services, or HMIS, the funding will be for the 3-years to 5-years requested, and the grant term will be 3-years to 5-years plus the time necessary to acquire the property, complete construction, and begin operating the project. HUD will require recordation of a HUD-approved use and repayment covenant before funds can be drawn down (the form can be obtained from the local HUD CPD field office) for all grants of funds for new construction, acquisition, and rehabilitation. (24 CFR 578.81) HUD Field Office Counsel must approve the use and repayment covenants in advance of their being recorded, and proof of recording must be submitted to HUD Field Office Counsel before HUD will release grant funds, other than acquisition funds.

(9) All new CoC Planning or UFA Costs project applications are limited to 1-year grant terms and 1 year of funding.

(a) The maximum amount for one year of funding to spend on administrative costs associated with the CoC planning activities listed at 24 CFR 578.39 is 5 percent of FPRN, up to a maximum of \$1,500,000, or \$50,000 whichever is greater.

(b) The maximum amount for one year of funding to spend on administrative costs associated with the UFA costs described at 42 USC 11360(g) is up to 3 percent of FPRN or \$1,250,000 per fiscal year; whichever is less.

(c) CoC Planning and UFA Costs grants are not renewable.

(10) Any new project that is requesting consideration under the DV Bonus or DV Reallocation process may only request 1 year of funding, but may request a longer initial grant term not to exceed 18 months regardless of project application component type.

TABLE OF CONTENTS

V. APPLICATION REVIEW INFORMATION

A. Threshold Review

HUD reviews each application to make sure it meets the following threshold requirements. If you meet all threshold requirements, your application will advance to a merit review. If you fail to meet one or more threshold requirements, your application is not eligible for HUD funding.

1. Eligible Applicant

You must meet the applicant eligibility criteria in this NOFO. Applications from ineligible applicants are not rated or ranked and will not receive HUD funding.

a. Eligible Project Applicants (*McKinney-Vento Act, 24 CFR 578.15, 24 CFR 5.100*).

Eligible project applicants for the CoC Program Competition are found at 24 CFR 578.15 and in the Act and include nonprofit organizations, states, local governments, instrumentalities of state and local governments, Indian Tribes and TDHE [as defined in section 4 of the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4103) (TDHEs)]. Public housing agencies, as such term is defined in 24 CFR 5.100, are eligible without limitation or exclusion. For-profit entities are ineligible to apply for grants and are prohibited from being subrecipients of CoC Program grant funds.

b. Collaborative Applicants. Only CoCs with a valid FY 2025 e-snaps registration will have access to the FY 2025 CoC Program and YHDP Funding Opportunity in e-snaps, which includes the Consolidated Application (i.e., the CoC Application, the CoC Priority Listing and the project application(s)). CoCs should not attempt to change Collaborative Applicants during the FY 2025 CoC Program and YHDP Funding Opportunity without prior HUD approval unless HUD replaces the CoC's designated Collaborative Applicant under the authority of Section 402(c) of the Act. HUD will approve Collaborative Applicant changes outside the annual CoC Program Registration process under the following circumstances:

- the Collaborative Applicant made an error when entering the Collaborative Applicant name in the CoC Applicant Profile;
- the CoC-designated Collaborative Applicant is no longer in business;
- the CoC designates a new Collaborative Applicant; or
- HUD designated a new Collaborative Applicant as a remedial action under Section 402(c) of the Act.

In cases where the CoC changes its designated Collaborative Applicant during the CoC Program Registration process, the CoC must notify the local HUD CPD field office, in writing, stating the reason for the Collaborative Applicant change. The notice to HUD must provide documentation of the CoC's approval of the change (e.g., a copy of the meeting minutes to include the date and attendees).

c. Indian Tribes and Tribally Designated Housing Entities (TDHE). The Consolidated Appropriations Act, 2021 (Public Law 116-260, approved December 27, 2020) amended Title IV to add Section 435 of the Act to allow Indian Tribes and Tribally Designated Housing Entities (TDHE) to be Collaborative Applicants, eligible entities, or subrecipients of the CoC Program in addition to amending Title IV Section 401 to add the terms

“Formula Area” and “Indian Tribe.” These amendments mean that not only may Tribes and TDHEs apply for grants through other CoCs, but that formula areas, as that term is defined in the Indian Housing Block Grant program at 24 CFR 1000.302, are eligible to be added to the geographic areas of existing CoCs or may be included in newly formed CoCs through the CoC registration process (see Notice CPD-22-02).

Indian Tribes and TDHEs may:

- (1) create a CoC;
- (2) be a Collaborative Applicant;
- (3) be an eligible project applicant; or
- (4) receive grant amounts from another entity that receives a grant directly from HUD (i.e. be a CoC grant subrecipient).

However, under 42 U.S.C. 11383(g) only States, Units of General Local Government, nonprofit organizations, and Public Housing Agencies may administer permanent housing rental assistance.

d. *Solo Applicants.* Eligible project applicants that attempted to participate in the CoC planning process in the geographic area in which they operate that believe they were denied the right to participate in a reasonable manner, may submit a solo project application to HUD by following the procedure found in 24 CFR 578.35. If HUD finds in favor of the solo applicant, HUD may award grant funds. Solo applicants requesting FY 2025 funding must submit their solo project application in e-snaps to HUD by 8:00 PM EST, on January 14, 2026. See section VIII.D.4 of this NOFO for additional information regarding the Solo Applicant appeal process.

2. Resolution of Civil Rights Matters

Applicants with outstanding, unresolved judgments against them for violations of civil rights laws must resolve those judgments before the application submission deadline or the applicant will be deemed ineligible.

a. An applicant is ineligible for funding if the applicant has received notice of a judgment imposed against them for violations of:

1. the Fair Housing Act or a substantially equivalent state or local fair housing law for discrimination because of race, color, religion, sex, national origin, disability or familial status; or
2. Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974, the Americans with Disabilities Act, or the Violence Against Women Act or substantially equivalent state or local laws.

b. HUD will determine if actions to resolve the judgment taken before the application deadline date will resolve the matter. Examples of actions that may be sufficient to resolve the matter include, but are not limited to:

1. Current compliance with a voluntary compliance agreement signed by all the parties;
2. Current compliance with a HUD-approved conciliation agreement signed by all the parties;

3. Current compliance with a conciliation agreement signed by all the parties and approved by the state governmental or local administrative agency with jurisdiction over the matter;
4. Current compliance with a consent order or consent decree; or
5. Current compliance with a final judicial ruling or administrative ruling or decision.

3. Timely Submission of Applications

Late applications are not eligible for funding. See deadlines in [Section VI of this NOFO](#).

Applicants should review and follow the steps outlined below to ensure applications are complete and submitted by the deadlines established in this NOFO. Documents referenced in this section can be found on the CoC Program page of HUD's website:

https://www.hud.gov/program_offices/comm_planning/coc.

4. Threshold Criteria.

Applicants who fail to meet the following threshold eligibility requirements are ineligible.

a. Project Eligibility Threshold. HUD will review all projects to determine if they meet the following project eligibility threshold requirements on a pass/fail standard. If HUD determines the applicable standards are not met for a project, HUD will reject the project. HUD will consider any project requesting renewal funding as having met these requirements through its previously approved grant application unless HUD receives information to the contrary (e.g., monitoring findings, results from investigations by HUD's Office of Inspector General, the recipient routinely does not draw down funds from eLOCCS at least once per quarter, consistently late Annual Performance Report (APR) submissions). Approval of new and renewal projects is not a determination by HUD that a recipient is compliant with applicable fair housing and civil rights requirements.

- (1) Project applicants and potential subrecipients must meet the eligibility requirements of the CoC Program as described in the Act and the Rule and provide evidence of eligibility required in the application (e.g., nonprofit documentation).
- (2) Project applicants and subrecipients must demonstrate the financial and management capacity and experience to carry out the project as detailed in the project application and the capacity to administer federal funds. Demonstrating capacity may include a description of the applicant and subrecipient experience with similar projects and with successful administration of SHP, S+C, or CoC Program funds or other federal, state, local, or private resources.
- (3) Project applicants must submit the required certifications specified in this NOFO.
- (4) The population to be served must meet program eligibility requirements as described in the Act, the Rule, and section III.G.10 of this NOFO.
- (5) Project applicants, except Collaborative Applicants that only receive awards for CoC Planning costs and, if applicable, UFA Costs, must agree to participate in a local HMIS system. However, in accordance with Section 407 of the Act, any victim service provider that is a recipient or subrecipient must not disclose, for purposes of HMIS, any personally identifying information about any client. Victim service providers must

use a comparable database that meets the needs of the local HMIS.

(6) Project applicants must certify affirmatively to the following:

The project applicant will not engage in illegal discrimination including illegal racial preferences This is consistent with the objectives outlined in Section III.B.10 above and is consistent with the requirements of 2 CFR 200.300(a).	
The project applicant will not operate illegal drug injection sites or “safe consumption sites” in violation of 21 u.s.c. 856. This is consistent with the objectives outlined in Section III.B above and is consistent with the requirements of 2 CFR 200.300(a).	

b. Project Quality Threshold. HUD will review all new project applications to determine if they meet the following project quality threshold requirements HUD will not award funds to a new project unless the project was created through reallocation, or the CoC has demonstrated to HUD’s satisfaction that projects are evaluated and ranked based on the degree to which they improve the CoC’s system performance.

(1) HUD will consider any project requesting renewal funding, including renewing YHDP and renewing Special NOFO projects, as having met project quality threshold requirements through its previously approved grant application unless HUD receives information to the contrary or if the renewal project has compliance issues which results in the project not operating in accordance with the Rule.

(2) HUD will consider YHDP Replacement project applications including applications for new YHDP projects created through YHDP reallocation as having met project quality threshold requirements if the project application activities and costs are eligible under this NOFO. If a YHDP Replacement (including YHDP Reallocation) project application is not for activities and costs that are eligible under this NOFO, HUD will not reject the project under this project quality threshold, but HUD will require the project applicant to correct or revise information submitted after the final CoC Program award announcement but before executing the grant agreement.

(3) HUD will review the UFA Costs submitted by the UFA designated Collaborative Applicant to ensure appropriate match and eligibility of costs requested.

(4) HUD will assess all new project applications for the following minimum project eligibility, capacity, timeliness, and performance standards.

(a) project applicants must have satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who

have never received a CoC Program funded project;

(b) for expansion project applications, project applicants must describe the part of the project that is being expanded and demonstrate the project is not replacing other funding sources; and

(c) project applicants must demonstrate their ability to meet all timeliness standards per 24 CFR 578.85. HUD reserves the right to deny a funding request for a new project, if the request is made by an existing recipient that HUD finds to have significant issues related to capacity, performance, unresolved audit, or monitoring findings related to one or more existing grants; or does not routinely draw down funds from eLOCCS at least once per quarter. HUD also reserves the right to withdraw funds if no APR is submitted on the prior grant.

(5) HUD reserves the right to verify past performance and evaluate the eligibility of a project application submitted during the CoC Program Competition for the following reasons:

(a) evidence that the project conducts activities that subsidize or facilitates illegal discrimination including illegal racial preferences.

(b) evidence that the project operates illegal drug injection sites or “safe consumption sites,” in violation of 21 U.S.C. § 856

(6) Additionally, for HUD to consider new projects as meeting project quality threshold, each new project must meet the following criteria as applicable. If awarded, a recipient must meet all the criteria listed in the criteria column for its component.

B. Merit Review

HUD expects to evaluate and score your application using the following merit criteria and process. Merit reviewers evaluate and score all applications that pass the threshold review. Merit reviewers may include Federal and non-Federal persons. Reviewers receive a copy of your application to evaluate and score each application separately.

1. Rating Factors

Your application must include a response to the following criteria.

HUD will use all of the factors outlined in this section to establish the CoC’s score for the FY 2025 CoC Program Competition.

Rating Factors Details

a. Project Capacity, Review, and Ranking. HUD will award up to 9 points to CoCs that demonstrate the existence of a coordinated, inclusive, and outcome-oriented community process for the solicitation, objective review, ranking, and selection of project applications.

This written process or tool must:</p> <p>Demonstrate it used objective criteria (e.g., cost-effectiveness, performance data, type of population served) to review, rate, and rank project applications and that these factors account for at least 50% of the total available points (up to 1 point).</p> <p>Demonstrate that at least 25% of the total points available for housing projects (TH, PH-PSH, PH-RRH) account for the following:</p> <ul style="list-style-type: none"> • Returns to homelessness performance measure (up to 1 point); • Employment income performance measure (up to 1 point); and • Supportive service participation requirements (up to 3 points).

d. CoC Merger Bonus Points. As stated in section 2.b.(2) in the Appendix of this NOFO, HUD will award up to a possible 15 bonus points to CoCs that merged after the FY 2024 CoC Program Registration deadline. To receive consideration as a merged CoC, new CoCs must contain all the geographic area of at least two CoCs that were considered completely separate CoCs in prior CoC Program competitions.

Rating Factor	Maximum Points	To Receive Maximum Points
Merged CoCs after the FY 2024 CoC Program Registration CoC Program Registration deadline.	15	Merged CoCs - all CoCs that merged will receive this minimum number of points.

2. Policy Initiative Preference Points

Preference points are added to your overall application score. You do not need to address the policy initiatives in this section to receive an award. If you choose to address a policy initiative in your application, you must adhere to the information with any award.

This NOFO supports the following policy initiatives, for which a maximum of fourteen (14) preference points may be awarded.

a. Opportunity Zones

You may receive up to four (4) points if your proposed activities are within an Opportunity Zone. To receive points, you must complete and submit form HUD-2996, Certification for Opportunity Zone Preference Points. If you expect to use less than 50% of the award in Opportunity Zones, you won't receive preference points.

b. Prohibiting Illicit Drug Enablement

Apart from the required selection criteria, you may receive up to ten (10) points if you can indicate that all housing projects submitted by the CoC will not operate drug injection sites or "safe consumption sites," knowingly distribute drug paraphernalia on or off of property under their control, permit the use or distribution of illicit drugs on property under their control, or conduct any of these activities under the pretext of "harm reduction."

3. Other Factors

a. Budget

The panel will review but not approve the budget. The panel will assess whether the budget aligns with planned program activities and objectives. Panel members will consider whether the budget and the requested performance period are fully justified and reasonable in relation to the proposed project.

The budget information will be reviewed to ensure:

- The requested costs are eligible under the CoC Program and this NOFO.
- The total amount of funding is within the amount of funding available to the CoC as described in Section I.A.2 of this NOFO.
- If funds are requested for project administrative costs, the amount requested is no more than 10 of the total funding requested.

b. Certification of Consistency with the Consolidated Plan

You must make sure your application activities are [consistent with your local Consolidated Plan](#).

All project applications submitted and listed on the CoC Priority Listing by Collaborative Applicants must be included in the certification either by submitting one correctly signed and dated HUD-2991 from the appropriate jurisdiction that includes an attachment listing of all submitted project applications, or a single signed and dated HUD-2991 for each individual project application from the appropriate jurisdiction. See section IV.A.1 for more information.

C. Risk Review

Before making an award, HUD will evaluate each applicant's likelihood of successfully implementing an award based on the following criteria.

- OMB-designated repositories of governmentwide data, as noted in [2 CFR 200.206\(a\)](#)
- Other public sources such as newspapers, Inspector General or Government Accountability Office reports or findings, or other complaints that have been proven to have merit
- Financial stability
- Quality of management systems and ability to meet the management standards prescribed in 2 CFR part 200
- Reports and findings from audits performed under 2 CFR part 200, subpart F—Audit Requirements or the reports and findings of any other available audits
- The applicant's ability to effectively implement statutory, regulatory, or other requirements imposed on non-Federal entities
- Capacity of the applicant, including staffing structures and capabilities
- History of timely completion of activities and receipt and expenditure of promised matching or leveraged funds
- Ability to promote self-sufficiency and economic independence
- Ability to produce positive outcomes and results
- History of subsidizing or facilitating activities that impede law enforcement related to vagrancy, drug use, or other illicit activities that conflict with the purposes of this NOFO.
- History of performance. The applicant's record in managing Federal awards, if it is a prior recipient of Federal awards, including timeliness of compliance with applicable reporting requirements, failing to make significant progress in a timely manner, failing to meet planned activities in a timely manner, conformance to the terms and conditions of previous Federal awards, and, if applicable, the extent to which any previously awarded amounts will be expended prior to future awards. HUD will not penalize a renewal applicant who sufficiently complied with the terms and conditions FY2024 NOFO that are in direct conflict with those contained herein.

HUD may use the results of the risk review to make funding decisions and to apply award conditions.

This assessment helps identify risks that may affect the advancement toward or the achievement of a project's goals and objectives. 2 C.F.R. 200.206(b)(1).

D. Selection Process

When making funding decisions, HUD will consider:

- Eligibility requirements, including threshold review results.
- Merit review results.
- Risk review results.

To the extent allowed by law, HUD may:

- Fund applications in whole or in part.
- Fund applications at a lower amount than requested.
- Choose to fund no applications under this NOFO.
- Adjust funding for an application, to ensure funding or geographic dispersion, and alignment with program or administrative priorities.
- Withdraw an award offer and make an offer of funding to another eligible application, if terms and conditions are not finalized or met.
- Use additional funds made available after NOFO publication to either fully fund an application or fund additional applications.
- Correct HUD review and selection errors. If HUD commits an error that causes an applicant not to be selected, HUD may make an award to that applicant when and if funding is available.
- Release another NOFO, if funding is available and if HUD does not receive applications of merit.

1. Threshold Review.

HUD will conduct a project eligibility and project quality threshold review on all project applicants.

HUD will review new project applications to determine whether applicants meet the applicant eligibility in section V.A.1, and whether the project applications meet the project eligibility and project quality thresholds detailed in sections V.A.4.a and V.A.4.b of this NOFO. HUD will review renewal projects to determine if project applicants and subrecipients meet the renewal project threshold requirements detailed in section V.A.4.c of this NOFO. If HUD determines these standards are not met, HUD will reject the project application, unless otherwise provided in this NOFO.

If a new project application passes the project eligibility threshold review in section V.A.4.a and receives enough points to pass the project quality threshold review in section V.A.4.b of this NOFO but does not receive all the points available for its project type, HUD may place conditions on the grant award that must be satisfied before HUD will execute a grant agreement with the applicant for the project. If an applicant is unable to satisfy the condition(s) within the timeframe specified by HUD, HUD reserves the right to withdraw the conditionally awarded funds.

2. Conditional Selection and Adjustments to Funding.

HUD Headquarters will conditionally select project applications for funding using the following process:

a. HUD Funding Process. All project applications, including YHDP renewal and replacement projects, must be competitively ranked, except for CoC Planning and, if applicable, UFA Costs Applications. All new Permanent Housing projects must be separately ranked in their own, Extended Track Priority Listing. If a CoC is applying for one new Permanent Housing project, it must still be listed on the Extended Track Priority

Listing. HUD will not consider new Permanent Housing projects if submitted in Normal Track. CoCs should ensure that their projects submitted in Normal Track and Extended Track do not, when combined, exceed their maximum award amount.

HUD will select Normal Track projects in the following order in an amount up to \$2,655,600,000:

- (1) HUD will select all CoC Planning and UFA Costs applications that meet project quality threshold requirements. Only one CoC Planning and one UFA Costs (if applicable) project application can be submitted per CoC.
- (3) HUD will then select all projects in Tier 1 that pass project quality and project eligibility thresholds as described in section V.D.3.a below.
- (4) HUD will then select projects that meet project quality and project eligibility thresholds that are ranked in Tier 2 in the order of project score as described in Section V.D.3.b below:
 - (a) If at any point, HUD selects Permanent Housing renewal projects in an amount more than 30 percent of a CoC's Annual Renewal Demand (ARD), HUD will remove all remaining unselected Permanent Housing renewal projects from that CoC's priority listing, recalculate their Tier 2 project score, and continue selection.
 - (b) HUD will not consider new Permanent Housing projects in Normal Track. New Permanent Housing projects must be submitted in a separate Extended Track Priority Listing.

HUD will select Extended Track projects in the following order in an amount up to \$1,262,400,000:

- (1) HUD will select all new Permanent Housing projects that meet project quality and project eligibility thresholds that are ranked in the Extended Track Priority Listing in the order of project score using the Tier 2 100-point score scale described in Section V.D.3.b below.
 - (a)** In selecting projects, HUD will not exceed a CoC's maximum award amount. CoCs should ensure that their projects submitted in Normal Track and Extended Track do not, when combined, exceed their maximum award amount. HUD will use a CoC's Priority Listings for Normal Track and Extended Track to determine if and when a CoC exceeds their maximum award amount. CoCs may not submit Priority Listings that, when combined, exceed their maximum award amount.

HUD will then review DV Bonus projects already selected for funding through the above process and determine whether \$52,000,000 has been awarded to DV Bonus projects:

- (a) If at least \$52,000,000 has been selected for conditional award no further action is needed.
- (b) If \$52,000,000 has not been selected for conditional award – continue down the list and fund additional DV Bonus projects by project-level score until at least \$52 million has been selected.

b. As authorized under the Consolidated Appropriations Act, 2017 (Public Law 115-31; 131 Stat. 135) for fiscal year 2017 and hereafter, HUD will conditionally select a renewal grant that exceeds \$10 million that was originally awarded pursuant to the matter under the heading “Department of Housing and Urban Development–Permanent Supportive Housing” in chapter 6 of title III of the Supplemental Appropriations Act, 2008 (Public Law 110-252; 122 Stat. 2351).

c. If an ineligible renewal project submitted under this NOFO is used in the reallocation process; or an ineligible YHDP Renewal or YHDP Replacement project is submitted, HUD will remove the ineligible project when calculating the final ARD amount for the CoC. To be eligible for renewal, reallocation, or replacement in the FY 2025 CoC and YHDP Funding Process, a project must have an expiration date in Calendar Year (CY) 2026 (between January 1, 2026, and December 31, 2026).

3. HUD Funding Process.

CoCs and applicants should ensure there is a thorough understanding of the information provided in this NOFO. HUD has a two-tier funding selection process for FY 2025 funding. HUD will establish Tier 1 and Tier 2 amounts for each CoC, based on each CoC’s Annual Renewal Demand. HUD will post a report that lists the available amounts for each CoC’s PPRN, estimated ARD, Tier 1, CoC Planning, estimated CoC Bonus amounts, and estimated DV Bonus amounts on HUD’s website.

The maximum amount a CoC may apply for (Normal Track and Extended Track combined) is the sum of the CoC’s ARD, eligible CoC Bonus amounts, eligible DV Bonus amounts, eligible CoC planning amounts and if applicable, eligible UFA costs amounts.

The selection process described in this section of the NOFO will also be used for CoC Collaborative Applicants designated as UFAs.

Note that for FY 2025, DV Bonus and YHDP projects will be selected using the Tier 1 and Tier 2 selection process.

a. Tier 1. Tier 1 is equal to 30 percent of the CoC’s Annual Renewal Demand (ARD). HUD will conditionally select project applications in Tier 1 from the highest scoring CoC application to the lowest scoring CoC application and according to the rank assigned by the CoC on the CoC Priority listing, provided the project applications pass both project eligibility and project quality threshold review, and if applicable, project renewal threshold.

Any competitively ranked project may be placed in Tier 1 according to the CoC’s local rating and ranking process and based on local needs and priorities.

b. Tier 2. Tier 2 is the difference between Tier 1 and the sum of each CoC’s ARD, CoC Bonus, and DV Bonus.

HUD will evaluate project applications placed in Tier 2 for project eligibility and project quality threshold requirements and project renewal threshold requirements, if applicable; and HUD will determine funding using the CoC Application score as well as the CoC project ranking.

HUD will award a point value to each ranked new and renewal project application that is in Tier 2 using a 100-point scale, and conditionally select applications in Tier 2 using this

point value from the highest scoring project application to the lowest:

(1) CoC Score. Up to 50 points in direct proportion to the score received on the CoC Application, e.g., if a CoC received 65 out of 130 points on the CoC Application, the project application would receive 25 out of 50 points for this criterion.

(2) CoC Project Ranking. Up to 40 points for the CoC's ranking of the project application(s). To consider the CoCs ranking of projects, HUD will assign point values directly related to the CoCs' ranking of project applications. The calculation of point values will be 40 times the quantity $(1-x)$ where x is the ratio of the cumulative funding requests for all projects or portions of projects ranked higher by the CoC in Tier 2 plus one half of the funding of the project of interest to the total amount of funding available in Tier 2 for the CoC.

(3) Service Participation. Up to 10 points for projects that have or will incorporate supportive service participation requirements in their program design, based on individual need and evidenced by direct language from an occupancy agreement or equivalent document. Supportive Service Only (SSO) projects will automatically receive 10 points in this category.

c. Projects Straddling Tiers. If a project application straddles the Tier 1 and Tier 2 funding line, HUD will conditionally select the project up to the amount of funding that falls within Tier 1. Using selection criteria in section V.D.3.b above, HUD may fund the Tier 2 portion of the project. If HUD does not fund the Tier 2 portion of the project, HUD may award the project at the reduced amount based on the amount of funding that falls within Tier 1, provided the project is still feasible with the reduced funding (e.g., is able to continue serving homeless program participants effectively).

d. Domestic Violence, Dating Violence, Sexual Assault, and Stalking Bonus (DV Bonus). This NOFO provides approximately \$52 million for "rapid re-housing projects and supportive service projects providing coordinated entry, and for eligible activities that the Secretary determines to be critical in order to assist survivors of domestic violence, dating violence, sexual assault, or stalking." In this NOFO, Transitional Housing is an eligible activity determined critical to assist survivors of domestic violence, dating violence, sexual assault, or stalking.

Each CoC may only submit one new SSO-CE DV Bonus project; however, there is no limit to the number of TH projects and PH-RRH projects CoCs may apply for, provided each application is for at least \$50,000. A project applicant may also apply to expand an existing renewal project, including one that was previously awarded with DV Bonus funding, in accordance with section IV.D.1.j.(4) of this NOFO; however, only the new project application for the expansion will be considered for DV Bonus funds through this process. DV Bonus funding may be used to expand an existing renewal project that is not dedicated to serving individuals and families who are fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking who qualify as homeless under paragraphs (1) or (4) of the definition of homeless at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act so long as the DV Bonus funds for expansion are solely for additional units, beds, or services dedicated to persons eligible to be served with DV Bonus funding.

CoCs must rank all new DV Bonus project applications on the New Project Listing of the CoC Priority Listing with a unique number ranking and when the project is part of an expansion, the corresponding renewal project application must be on the Renewal Project Listing with a unique rank number as well. HUD will only select a new DV Bonus project that expands an existing renewal project if HUD conditionally selects the existing renewal project for funding.

4. Conflict of Interest of Consultants or Technical Experts Assisting HUD.

Consultants and technical experts who assist HUD in evaluating applications for funding under published CoC Program NOFOs are subject to 18 U.S.C. 208, the Federal criminal conflict-of-interest statute, and the Standards of Ethical Conduct for Employees of the Executive Branch regulation published at 5 CFR 2635. Therefore, consultants and technical experts who have assisted or plan to assist applicants with preparing applications for CoC Program NOFOs are prohibited from serving on a selection panel or serving as a technical advisor to HUD. Anyone involved in reviewing CoC Program NOFO applications, including departmental staff, experts, and consultants, must avoid conflicts of interest or the appearance of such conflicts. These individuals must also disclose to HUD's Office of General Counsel Ethics Law Division the following information, if applicable:

- a. How the selection or non-selection of any applicant under a CoC Program NOFO will affect the individual's financial interests, as provided in 18 U.S.C. 208, or
- b. How the application process involves a party with whom the individual has a covered relationship under 5 CFR 2635.502.

The consultant or technical expert assisting HUD must disclose this information before participating in any matter regarding a program NOFO. Applicants with questions regarding these provisions or concerning a conflict of interest should call the Office of General Counsel Ethics Law Division, at (202)708-3815 (this is not a toll-free number). HUD welcomes and is prepared to receive calls from individuals who are deaf or hard of hearing, as well as individuals with speech or communication disabilities. To learn more about how to make an accessible telephone call, please visit

<https://www.fcc.gov/consumers/guides/telecommunications-relay-service-trs>.

5. Adjustments to Projects.

HUD may adjust the selection of competitive projects as follows:

- a. **CoC Maximum Award and FMR Adjustments.** The process for determining a CoC's maximum award amount is detailed in 24 CFR 578.17(b). HUD must adjust awards for leasing, operating, and rental assistance BLIs based on changes to the Fair Market Rents (FMR). 24 CFR 578.51(f) requires that HUD will determine the award amount for Rental Assistance projects by multiplying the number and size of units proposed by the FMR of each unit on the date the application is submitted to HUD.

HUD will make these adjustments as follows:

- (1) Funds awarded for rental assistance will be adjusted in one of two ways:

- (a) Funds awarded for rental assistance requesting the FMR will be adjusted by applying the FMR in effect at the time applications are due, including instances where the FMR for a specific area has decreased from the project award year.

(b) Funds awarded for rental assistance for renewal projects that request less than FMR, that is, a per-unit amount based on the actual rent costs per unit (section IV.D.2.h), will be increased based on the average increase in FMR amounts within the CoC's geographic area, weighted for population density. If the FMR for a specific area had a net decrease from the project award year, the award will not exceed the FMR after adjustment. If the FMR for the project applicant's entire area decreased from the project award year, the project will be awarded the lesser amount of the per-unit amount requested by the project applicant, based on the actual rent costs per unit, or the FMR after adjustment.

(2) HUD will increase funds awarded for operating and leasing in PH projects based on the average increase in FMR amounts within the CoC's geographic area, weighted for population density. Because leasing and operating costs do not decrease relative to rent amounts for specific units (e.g., operating costs for 10 units that have rents of \$500 are likely the same as for 10 units that have rents that are \$450) HUD will not decrease leasing and operating BLIs if FMRs decrease in the geographic area. The operating and leasing BLIs in these projects will remain the same as in the most recent grant agreement or grant agreement amendment.

b. Cost of Living Adjustment Factor. HUD will adjust amounts for the supportive services and HMIS Costs budget lines for renewing projects by the following factor: Most recent three-year average of changes in State Quarterly Census of Employment and Wages (QCEW) for the category Social Assistance (NAICS 624). Data can be found at: <https://www.bls.gov/cew/data.htm>.

6. Geographic Diversity.

HUD has determined that geographic diversity is an appropriate consideration in selecting homeless assistance projects in the CoC Program Competition. HUD believes that geographic diversity can be achieved best by awarding grants to as many CoCs as possible. To this end, in instances where any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Northern Mariana Islands, the Virgin Islands, and American Samoa do not have at least one funded CoC, HUD reserves the right to fund eligible project(s) with the highest total score in the CoC.

7. Funding Diversity.

HUD reserves the right to reduce the amount of a grant, if necessary, to ensure that no more than 10 percent of assistance made available under this NOFO will be awarded for projects located within any one unit of general local government or within the geographic area covered by any one CoC.

8. Approval from HUD Headquarters is required before a grant awarded under this NOFO may be transferred.

Under this NOFO, HUD will treat the change of project applicant as a curable deficiency. This occurs when a Recipient of an expiring grant awarded under a prior FY CoC or YHDP competition NOFO applies to renew their award under this NOFO and during the period between applying for FY 2025 funds and before HUD announces FY 2025 awards, HUD executes a grant agreement amendment to transfer the expiring grant to a New Recipient.

This grant transfer results in a FY 2025 CoC renewal application that does not reflect the New Recipient as the applicant. In this type of situation, HUD will treat the change of project applicant as a curable deficiency.

9. Use of unawarded funds.

In the case that funding remains available under this NOFO after HUD follows the selection process described in V.D.2 and V.D.3 above and any subsequent appeals process as described in VII.D below, HUD reserves the right to issue a supplemental NOFO.

E. Award Notices

If you are successful, HUD will email an award notice to the authorized official representative from the SF-424. HUD will also notify unsuccessful applicants.

The award notice communicates the amount of the award, important dates, and the terms and conditions you need to follow. HUD may impose specific conditions on an award as provided under [2 CFR 200.208](#).

You agree to the award terms and conditions by either drawing funds from HUD's payment system or signing the agreement with HUD. If you do not agree to the award terms and conditions, HUD may select another eligible applicant.

Under [2 CFR 200.458](#) pre-award costs are allowable with written approval from HUD if such costs: a) are consistent with 2 CFR 200.458; and b) would be allowable as a post-award cost; and c) do not exceed 10 percent of the total funds obligated to this award. However, HUD will not consider eligibility for pre-award costs until after the date of the HUD selection notice. Additionally, the incurrence of pre-award costs in anticipation of an award imposes no obligation on HUD either to make the award, or to increase the amount of the approved budget, if the award is made for less than the amount anticipated and is inadequate to cover the pre-award costs incurred.

For selected projects, HUD will require recordation of a HUD-approved use and repayment covenant before funds can be drawn down (the form can be obtained from the local HUD CPD field office) for all grants of funds for new construction, acquisition, and rehabilitation. ([24 CFR 578.81](#)) HUD Field Office Counsel must approve the use and repayment covenants in advance of their being recorded, and proof of recording must be submitted to HUD Field Office Counsel before HUD will release grant funds, other than acquisition funds.

If the award includes funds for acquisition, HUD may allow recipients to draw down acquisition funds before recording the Declaration of Restrictive Covenant if the HUD Field Office confirms that the escrow agent has received the Declaration of Restrictive Covenant and the recording instructions. The recipient or subrecipient may not draw down any funds other than acquisition funds until HUD Field Counsel has confirmed the Declaration of Restrictive Covenants has been recorded.

VI. SUBMISSION REQUIREMENTS AND DEADLINES

You must apply electronically. See [Find the Application Package](#) to make sure you have everything you need to apply online. See [Application Waiver](#) if you qualify to submit a paper application.

Make sure you are current with [SAM.gov](#) and UEI requirements before applying for the award. See the [Before You Begin](#) section of this NOFO.

A. Deadlines

1. Application submission deadline:

The application deadline is 8 PM Eastern time on:

02/25/2025

HUD must receive your application by the deadline. Applications received after the deadline are late. Late applications are not eligible for HUD funding.

If HUD receives more than one application from you, HUD will review only the last submission.

HUD may extend an application due date based on emergency situations such as Presidentially-declared natural disasters. Improper or expired registration and password issues are not causes to allow HUD to accept applications after the deadline date.

Applicants must complete and submit their applications in *e-snaps* at <https://esnaps.hud.gov/>. The deadline to submit applications for FY 2025 funding is 8:00 PM EST on January 28, 2026 for Normal Track applications and February 25, 2026 for Extended Track applications.

24 CFR 578.9 requires CoCs to design, operate, and follow a collaborative process for the development of an application in response to a NOFO issued by HUD. As part of this collaborative process, CoCs must implement internal deadlines to ensure transparency and fairness at the local level. CoCs may operate separate collaborative processes and establish separate deadlines for Normal Track and Extended Track applications. The implementation of deadlines that meet the standards outlined below for FY 2025 CoC Program project applications are part of the scoring criteria as detailed in section V.B.1.a of this NOFO.

a. Project Application. All project applications must be submitted to the CoC before HUD's CoC Program application submission deadline.

b. CoC Notification to Project Applicants. The CoC is required to notify, in writing outside of e-snaps, all project applicants who submitted their project applications to the CoC by the local CoC-established deadline whether their project application(s) will be accepted and ranked on the CoC Priority Listing, rejected, or reduced by the CoC no later than 15 days of the FY 2025 CoC Program application submission deadline.

Where a project application is being rejected or reduced, the CoC must provide the project applicant with the reason(s) for the rejection or reduction. CoCs failing to provide this information to a project applicant that submits its project application by the local competition deadline will receive 0 points under section V.B.1.a.(2) of this NOFO.

2. Major Disaster Areas.

If a major disaster impacts a CoC's geographic area, as declared by the President under the Stafford Act, during the CoC Program application process that will impact the submission of the CoC Priority Listing and FY 2025 project applications, the CoC's Collaborative Applicant must send written notification to Norm Suchar, Director, Office of Special Needs Assistance Program (SNAPS) at CoCDisaster@hud.gov. The email must include:

- a. the nature of the disaster, date(s) the major disaster occurred, how the major disaster affected the Collaborative Applicant, the CoC, or its project(s);
- b. the duration, and the impact on the Collaborative Applicant, the project applicants, or the CoC to meet the local competition deadline; and
- c. the anticipated amount of time the CoC is requesting for an extension (e.g., number of days, weeks, or months). This does not mean HUD will allow the full amount of time requested.

Based on the timing and the extent of the major disaster, HUD may extend the application deadline for the affected CoC(s). All requests received will be confirmed via the Federal Emergency Management Agency (FEMA) website, <https://www.fema.gov/disaster>.

B. Submission Methods

1. Electronic Submission

The official documents HUD uses to solicit applications for this NOFO are posted on [Grants.gov](https://www.grants.gov); however, you must register and submit your application through esnaps.hud.gov. HUD does not accept applications or supportive documents via fax.

1. Electronic Submission

Applicants must register and submit project applications through esnaps.hud.gov. HUD does not accept applications or supportive documents via fax.

a. CoC Registration. Collaborative Applicants that Registered their CoCs in FY 2024 were not required to register again for FY 2025 funding. HUD moved all FY 2024 CoC Program Registrations forward for FY 2025 on behalf of all existing Collaborative Applicants in accordance with Notice CPD-22-02: Continuum of Care Program Registration. Collaborative Applicants that were designated by HUD as UFAs during the FY 2024 Registration were not required to reapply during the FY 2025 funding year.

b. CoC Review of Project Applications Prior to Submission to HUD. HUD expects CoCs to implement a thorough review and oversight process at the local level for both new and renewal project applications to be submitted to HUD for the FY 2025 CoC Program Competition. HUD's experience is that many project applications contain information resulting in conditions on the grant; or for more serious infractions, HUD rejecting a project application. Deficient project applications prolong HUD's review process, which results in delayed funding announcements, lost funding for CoCs due to

HUD rejecting projects, and delays accessing project funds to house and assist individuals and families experiencing homelessness. HUD expects CoCs to closely review the information provided in each project application, including Renewal, Replacement, or Reallocation projects, to ensure:

- (1) all proposed program participants will be eligible for the program component type selected;
- (2) the information provided in the project application and proposed activities are:
 - (a) eligible and consistent with program requirements in the Rule;
 - (b) eligible and consistent with DV Renewal, DV Reallocation and DV Bonus requirements in sections IV.D.1.d, and IV.D.1.e, and I.D.1.f of this NOFO; or
 - (c) eligible and consistent with YHDP Renewal and YHDP Replacement project requirements which includes YHDP Reallocation provided in sections IV.D.1.h and IV.D.1.i of this NOFO;
- (3) each project narrative is fully responsive to the question being asked and that it meets all the criteria for that question as required by this NOFO;
- (4) the data provided in various parts of the project application are consistent; and
- (5) all required attachments correspond to the list of attachments in e-snaps, must contain accurate and complete information and must be dated between November 1, 2024 and February 25, 2026.

c. Collaborative Applicant Submission Requirements. Collaborative Applicants must submit the FY 2025 Consolidated application by the FY 2025 application submission deadline. HUD will consider the CoC Consolidated Application properly submitted for review when the Collaborative Applicant submits the FY 2025 CoC Application, the FY 2025 CoC Priority Listing, and all FY 2025 project applications on behalf of the CoC.

If a CoC is submitting new Permanent Housing project applications, the CoC must submit a separate, Extended Track Priority Listing by the Extended Track deadline of February 25, 2026. HUD will not fund CoCs beyond their maximum award amount. CoCs should ensure that their FY 2025 Priority Listing and Extended Track Priority Listing do not exceed their maximum award amount.

The FY 2025 CoC Application and the FY 2025 CoC Priority Listing and Extended Track Priority Listing are separate submissions in e-snaps. Collaborative Applicants must ensure both the CoC Application and the CoC Normal Track Priority Listing, that includes project applications either approved and ranked or rejected, are submitted in e-snaps prior to the Normal Track CoC Program application submission deadline. The Extended Track Priority Listing must be submitted by the Extended Track application submission deadline.

The "Submit" button will not be available on the Submission Summary of the FY 2025 CoC Application and FY 2025 CoC Priority Listing until all required sections of the application and all parts of the listings have been completed. Collaborative Applicants should review the Submission Summary form carefully to ensure no sections state "Please Complete."

Collaborative Applicants should export a PDF copy of the Submission Summary form from

the FY 2025 CoC Application and the FY 2025 CoC Priority Listing and Extended Track Priority Listing after they have been submitted to HUD and before closing their internet browser. This is the Collaborative Applicant's receipt of submission and proof of compliance with the FY 2025 application deadline.

The CoC Consolidated Application includes the following:

(1) FY 2025 CoC Application which includes the following:

(a) CoC Review, Score, and Ranking Procedures. The CoC's written procedures that are publicly posted for all interested stakeholders and applicants that clearly describe the project-level review and ranking process that is used by the CoC to determine how CoC Program project applications submitted to the CoC are reviewed, scored, and ranked.

(b) CoC Public Notice. A screenshot(s) from the CoC's, or a partner website, that includes the date the CoC notified the public of its local competition process, the due date for project applications, and the full CoC Application and CoC Priority Listing that includes all Project Listings of project applications submitted to HUD as accepted (in the case of non-competitive CoC Planning and UFA costs), approved and ranked or rejected.

(c) CoC Review and Ranking Process. Documents the process used by the CoC in the local competition to review, assess, and score new and renewal project applications, a copy of one scored project application form used by most renewal project applicants that includes the objective criteria and system performance criteria and their respective maximum point values and the actual points your CoC awarded to the project applicant; and the local competition selection results for new and renewal project applications.

(d) Notification to Project Applicants of projects rejected or reduced. The notification of the action (rejection or reduction) that must be sent to the project applicant at least 15-days prior to the HUD application submission deadline, if a new or renewal project application was submitted to the CoC in the local competition and the CoC rejected it or reduced its funding request as part of the CoC's local process.

(e) Public Notification of Ranked Project Applications. The notification of action that all project applicants who submitted new and renewal project applications in the local CoC competition are notified at least 15-days prior to the HUD application submission deadline of the CoC's acceptance that includes the ranked position of the project applications. This notification may be posted publicly or sent via email to individual project applicants.

(f) PHA Administrative Plan. If the CoC is seeking points under section V.B.1.c.(11) of this NOFO, a copy or the relevant excerpt from the local PHA(s) administrative planning document(s), or other written policy developed between the CoC and the PHA(s) that describes the PHA(s) preference for persons experiencing homelessness. Instead of a relevant excerpt from the written plan, a letter from the PHA(s) that describes the PHA(s) preference for persons

experiencing homelessness may be attached.

(g) Leveraging Housing and Healthcare Resources. If the CoC is seeking points under section V.B.1.c.(12) and (13) written commitment(s), contract(s), or other formal written documents that demonstrate the number of housing subsidies, housing units, and healthcare resources that will be provided.

(h) Projects to Serve Persons Defined as Homeless under paragraph (3) of 24 CFR 578.3. If the CoC is seeking to serve persons defined as homeless under paragraph (3) of the homeless definition, a list of projects that will serve persons defined as homeless under paragraph (3) of the homeless definition.

(i) The FY 2025 HDX Competition Report. The FY 2025 HDX Competition Report contains data submitted to HUD via HUD's Homelessness Data Exchange (HDX), including HIC, PIT count, and system performance data.

(2) FY 2025 Project Application(s), including for each project application:

(a) Charts, narrative responses, and attachments.

(b) Documentation of Applicant and subrecipient Eligibility. All nonprofit project applicants must attach eligibility documentation to the Project Applicant Profile. If nonprofit subrecipients are included in a project application, subrecipient eligibility documentation must be attached to the project application.

(c) HUD required forms. The following HUD required forms are built into e-snaps and must be fully completed and electronically signed before project applicants have access to the project application (see section IV.F.A of this NOFO).

(3) FY 2025 CoC Priority Listing, including. The CoC Priority Listing in e-snaps must include the following completed forms, certifications and attachments:

(a) Project Reallocation Form. The Reallocation form allows CoCs to indicate which eligible new projects, if any, will be reduced or eliminated through the reallocation process.

(b) CoC and YHDP Project Listings. The CoC project listing forms require the following project applications to be ranked, with unique rank numbers, in order of priority. Any project not ranked with a unique rank number must be rejected. The forms under this requirement include:

- i. CoC New Projects (including CoC Bonus and CoC Reallocation projects);
- ii. CoC Renewal Projects (including DV Renewal and Special NOFO Renewal projects);
- iii. DV Bonus Projects;
- iv. DV Reallocation Projects;
- v. YHDP Renewal Projects;
- vi. YHDP Replacement Projects (including YHDP Reallocation projects).

(c) CoC Planning and UFA Costs Project Application Listings. These project listing forms include the following non-ranked project applications:

- i. CoC Planning Project Listing; and
- ii. UFA Costs Project Listing, if applicable.

Collaborative Applicants must ensure the CoC only submits one project application for CoC Planning, and if the CoC's Collaborative Applicant is a HUD-designated UFA, one UFA Costs project application.

(d) Form HUD-2991, Certification of Consistency with the Consolidated Plan (See section IV.A.1 of this NOFO).

(e) Tribal Resolution, if applicable (See section IV.1.2 of this NOFO).

(4) Extended Track Priority Listing. For CoCs that are applying for new Permanent Housing projects, the Extended Track Priority Listing in e-snaps must include project applications that are ranked, with unique rank numbers, in order of priority. If a CoC is only applying for one new Permanent Housing project, it must still submit a Extended Track Priority Listing. The Extended Track Priority Listing must also include:

(a) Form HUD-2991, Certification of Consistency with the Consolidated Plan (See section IV.A.1 of this NOFO).

(b) Tribal Resolution, if applicable (See section IV.1.2 of this NOFO).

d. Project Application Submissions.

Project applications must include the population(s) and subpopulation(s) they will serve, the type of housing and services they will provide, and the budget activities they are requesting. Project applicants must also provide documentation of applicant and subrecipient eligibility. All nonprofit project applicants must attach eligibility documentation to the Project Applicant Profile. If nonprofit subrecipients are included in a project application, subrecipient eligibility documentation must be attached to the project application.

Collaborative Applicants applying for CoC Planning and UFA Costs (if designated as a UFA by HUD) must provide a description of the activities that will be carried out with CoC Program grant funds.

Additionally, all project applicants must ensure their organization has a Code of Conduct that complies with the requirements of 2 CFR part 200, as may be amended from time to time, and is included on HUD's website. If the organization's Code of Conduct does not appear on HUD's website, the project applicant must attach its Code of Conduct that includes all required information to its Project Applicant Profile in e-snaps.

For more information on project applications, see section IV.D of this NOFO.

e. Timely Submissions.

HUD will not fund applications that are not received on time. Also, failure to submit a complete CoC Consolidated Application may result in HUD finding that the CoC does not meet the requirements of the Act or its implementing regulations under 24 CFR 578.13. If the Secretary makes that finding, HUD may take remedial action to ensure fair distribution of grant funds to eligible entities within the CoC's geographic area, which includes the possibility that HUD will designate another eligible applicant to be the Collaborative Applicant for the CoC. In addition to the remedial actions listed in 24 CFR 578.13(a), HUD may also impose

another remedial action, such as requiring the CoC to create new policies and procedures to ensure that the Collaborative Applicant performs its duties.

f. Resolving Technical Difficulties.

CoC and project applicants experiencing technical difficulty with any part of the Application should notify HUD immediately for assistance and document all attempts to obtain assistance. Notification of technical difficulties are to be sent to CoCNOFO@hud.gov. HUD will not provide assistance directly related to content, only to troubleshoot submission issues.

CoCs that are submitting new and renewal applications for FY 2025 CoC and YHDP funding should print the Submission Summary form for the FY 2025 CoC Priority Listing for proof of compliance with the FY 2025 application deadline. HUD will not give funding consideration to any Collaborative Applicant whose FY 2025 CoC Priority Listing is determined to be late and the Collaborative Applicant is unable to provide HUD with a record of submission that verifies the CoC Consolidated Application was submitted prior to the application deadline date and time.

HUD strongly suggests that applicants use the "Export to PDF" functionality in e-snaps to save a hard copy of all submission documents for their records. This can be completed prior to or after submission.

If after notice and reasonable opportunity to be heard, HUD finds pursuant to 24 CFR 578.13, that one or more CoCs have failed to comply with the requirements of the Act and the Rule, HUD may, solely at its discretion and only if sufficient funds become available by recapture, publish a new NOFO for eligible applicants in CoCs that HUD determined do not meet the requirements of the Act and program regulations.

Need Help? See the [Contact and Support](#) section of this NOFO.

2. Electronic Submission Application Waiver

You may request a waiver from the requirement to submit your application electronically. The request must show good cause and detail why you are technologically unable to submit electronically. An example of good cause may include: a valid power or internet service disruption in the area of your business office. Lack of [SAM.gov](#) registration is not good cause.

Use the information in the [Contact and Support](#) section of this NOFO to submit a written request to HUD. You must **submit your waiver request at least 15 calendar days before the application deadline.**

The regulatory framework of HUD's electronic submission requirement is the final rule established in 24 CFR 5.1005. CoCs seeking a waiver of the electronic submission requirement must request a waiver in accordance with 24 CFR 5.1005. If a Collaborative Applicant finds it cannot submit its application electronically and must seek a waiver of the electronic grant submission requirement, its request must be postmarked no later than 60 days after the publication date of this NOFO. To expedite the receipt and review of each request, Collaborative Applicants may email their written requests to Norm Suchar, Director, Office of Special Needs Assistance Program (SNAPS) at CoCNOFO@hud.gov. If HUD does not have sufficient time to process the waiver request, HUD will not grant a waiver. HUD will not consider paper applications received without a prior approved waiver or after the

established deadline.

C. Other Submissions

1. Intergovernmental Review

This NOFO is not subject to Executive Order [12372](#). No action is needed.

2. Technical Application Errors

HUD may contact you to fix a technical error with your timely application after the due date. Technical errors that you may fix are not submitted to satisfy merit review criteria. And you may not fix technical errors related to threshold review except eligibility entity documentation. Examples of technical errors include: inconsistencies in funding requests; improper signature on a form; a missing or incomplete form; and nonprofit status documentation.

HUD will send notice to the authorized organization representative from the SF-424 to fix a technical error.

Your application is not eligible for funding, if you fail to fix the error to HUD's satisfaction and by the due date in HUD's notice. HUD will not review information submitted after the application due date in HUD's notice.

Applicants should compare their application submission with the requirements in the CoC Program NOFO. The FY 2025 Continuum of Care and Youth Homeless Demonstration Program Grants NOFO located on Grants.gov is HUD's official NOFO. If a discrepancy in the CoC Program NOFO posted on Grants.gov or other information provided in any other version or supporting documentation is found, please notify HUD immediately as indicated in section VIII of this NOFO. HUD welcomes and is prepared to receive calls from individuals who are deaf or hard of hearing, as well as individuals with speech or communication disabilities. To learn more about how to make an accessible telephone call, please visit <https://www.fcc.gov/consumers/guides/telecommunications-relay-service-trs>.

HUD will post any corrections or amendments to a CoC Program NOFO on Grants.gov.

For projects conditionally selected for award, HUD verifies that your organization has an active SAM registration prior to release of awarded funds and will withhold processing funds if your organization's SAM registration has expired or isn't consistent with the information provided on the SAM.gov website. A UEI discrepancy may also occur if HUD approves a grant to be amended to a new recipient (see section V.D.7 of this NOFO).

UEI discrepancies are a curable deficiency that may be corrected by the applicant with timely action. If a UEI discrepancy isn't resolved within the timeframe prescribed by the Notification of Curable Deficiency the applicant receives from HUD, HUD may reject the project.

a. Fix Errors in Electronic Applications

To fix an error in response to a HUD notice, you must email the corrections to HUD at CoCNOFO@hud.gov.

HUD allows 7 calendar days from the date of the HUD notice to fix an error. If the due date to fix an error falls on a Saturday, Sunday, Federal holiday, or on a day when HUD's Headquarters office in Washington, DC is closed, then the due date is the next business day.

b. Fix Errors in Paper Applications

You must fix an error in your paper application, in accordance with HUD's notice. If your paper application includes an incorrect UEI, HUD will request you supply the correct UEI.

D. False Statements

By submitting an application, you acknowledge your understanding that providing false or misleading information during any part of the application, award, or performance phase of an award may result in criminal, civil or administrative sanctions, including but not limited to: fines, restitution, and/or imprisonment under 18 USC 1001, 18 USC 1012, 18 USC 1010, 18 USC 1014, or 18 USC 287; treble damages and civil penalties under the False Claims Act, 31 USC 3729 et seq.; double damages and civil penalties under the Administrative False Claims Act, 31 USC Sections 3801-3812; civil recovery of award funds; suspension and/or debarment from all federal procurement and non-procurement transactions, FAR Part 9.4 or 2 CFR Part 180; and other remedies including termination of active HUD award.

B. Environmental Requirements

1. Environmental Review

You must follow these environmental review requirements, including regulations at:

[24 CFR part 50](#)

[24 CFR part 58](#)

Notwithstanding 24 CFR 578.31 and 24 CFR 578.99(a) of the Rule, and in accordance with Section 100261(3) of MAP-21 (Pub. L. 112-141, 126 Stat. 405), activities under this NOFO are subject to environmental review by a responsible entity under HUD regulations at 24 CFR part 58 or by HUD under 24 CFR part 50.

- a. All HUD assisted activities, even projects that only involve exempt activities, require some level of environmental review. Two types of projects are Categorically Excluded from review under the National Environmental Policy Act (NEPA) and not subject to compliance with the laws and authorities listed under 24 CFR 58.5 (CENST): All scattered-site projects where program participants choose their own unit and are not restricted to units within a pre-determined specific project site or sites are categorized in 24 CFR 58.35(b)(1) as CENST. This includes both tenant-based rental assistance and tenant-based leasing projects where program participants choose their own unit and do not involve any physical work or impacts beyond routine maintenance as defined by Notice CPD-16-02: Guidance for Categorizing an Activity as Maintenance for Compliance with HUD Environmental Regulations. The Exempt/CENST environmental review form is only required for each project, not every unit.

b. For activities under a grant to a recipient other than a state or unit of general local government that generally would be subject to review under 24 CFR part 58, HUD may make a finding in accordance with 24 CFR 58.11(d) and may itself perform the environmental review under the provisions of 24 CFR part 50 if the recipient objects in writing to the responsible entity's performing the review under part 24 CFR part 58.

c. Irrespective of whether the responsible entity in accordance with 24 CFR part 58 (or HUD in accordance with 24 CFR part 50) performs the environmental review, the recipient must supply all available, relevant information necessary for the responsible entity (or HUD, if applicable) to perform for each property any required environmental review. The recipient also must carry out mitigating measures required by the responsible entity (or HUD, if applicable) or select alternative property.

d. The recipient, its project partners, and their contractors may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project under this NOFO, or commit or expend HUD or non-HUD funds for such eligible activities under this NOFO, until the responsible entity (as defined by 24 CFR 58.2(a)(7)) has completed the environmental review procedures required by 24 CFR part 58 and the environmental certification and Request for Release of Funds (RROF) have been approved or HUD has performed an environmental review under 24 CFR part 50 and the recipient has received HUD approval of the project. HUD will not release grant funds if the recipient or any other party commits grant funds (i.e., incurs any costs or expenditures to be paid or reimbursed with such funds) before the recipient submits and HUD approves its RROF (where such submission is required).

2. NOFO Impact Determination Related to the Environment

This NOFO has no significant impact related to the environment. HUD has made a Finding of No Significant Impact (FONSI) as required by HUD regulations at [24 CFR part 50](#), which implement section 102(2)(C) of the National Environmental Policy Act of 1969 (42 USC § 4332(2)(c)). To learn more about this FONSI, go to [HUD's Funding Opportunities](#) web page.

3. Lead-Based Paint Requirements

You must follow the lead-based paint rules below if you fund any work on pre-1978 housing. This includes buying, leasing, support services, operating, or work that disturbs painted surfaces.

- [HUD's rules](#) (Lead Disclosure Rule; and Lead Safe Housing Rule).
- EPA's rules ([Renovation, Repair and Painting Rule](#), and [Lead Abatement, Inspection and Risk Assessment Rule](#)).

You must discuss the [Lead Disclosure Rule](#) if you fund education or counseling on buying or renting housing that may have been built before 1978. You must also discuss the Lead Safe Housing Rule if the education or counseling focuses on buying or renting HUD-assisted pre-1978 housing.

C. Remedies for Noncompliance

HUD may terminate all or a part of your award as described under 2 CFR 200.340 through 200.343 pursuant to the terms and conditions of your award, including, to the extent authorized by law, if an award no longer effectuates the program goals or agency priorities. HUD may also impose specific conditions on your award or take other remedies as described by 2 CFR 200.339 through 200.343, if you do not comply with your award terms and conditions.

For more information on CoC Program sanctions and remedies for noncompliance see 24 CFR 578.107.

D. Reporting

HUD requires recipients to submit the performance, financial, and program reports as outlined below. You must comply with these reporting requirements to remain eligible for HUD funding. See [Section VII.C.](#) of this NOFO.

HUD is implementing new grants management and reporting tools, which will be rolled out for your use in the near term. As a grantee, you will be required to report on grant performance and financial activities (including vendor and cash disbursement supporting details for yourself and your sub-recipients) using these new tools when they are released. HUD will work with you to support your transition to this new reporting environment. Once implemented, timely reporting in this new environment will be mandatory. HUD reserves the right to exercise all available rights and remedies for any noncompliance with these grants management and financial reporting requirements, to include requiring 100% review or stopping future disbursements altogether if reporting is not timely submitted.

maintain records within the timeframe required and make any reports that HUD may require. Project recipients may report the data as part of their APR submission to HUD. Also, project recipients who expend \$750,000 or more in 1 year in federal awards must have a single or program-specific audit for that year in accordance with the provisions of 2 CFR part 200, subpart F.

b. Section 3 Reporting Regulations. Recipients are required to report their Section 3 activities per 24 CFR 75.25 if funds were awarded for housing rehabilitation, housing construction, and other public constructions. See [HUD's Section 3](#) website for additional information including annual reporting requirements.

c. Award notices may also include requirements for sub-award reporting in compliance with the requirements of the Federal Financial Assistance Accountability and Transparency Act of 2006 (Pub. L. 109-282) (FFATA) and Section 872 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 (Pub. L. 110-417), referred to as "Section 872." See the General Section for further information.

D. Debriefing and Appeals

1. After public announcement of awards, HUD will debrief the Collaborative Applicant upon your written request. Submit your written request to the [agency contact for program and application requirements](#) in this NOFO. HUD may limit the information provided to protect the integrity of the competition.

2. You may appeal an application decision or a HUD funding decision. Email your appeal to snapsappeals@hud.gov. The subject line of your email must include the CoC Number, "Appeal Notice," and type of appeal, i.e., Participation, HUD Error, or Consolidated Plan Certification. A sample email Subject Line is, Subject: XX-500 – Appeal Notice–Consolidated Plan Certification.

24 CFR 578.35 provides the appeal process options. Sections 578.35(b)(3), (b)(4), (c)(1), and (d)(2) authorize HUD to establish requirements for the form and manner of submissions for appeals by Solo Applicants, applicants with denied or decreased funding, and from competing CoCs. For HUD to consider an appeal under 24 CFR 578.35(b) or (c), the solo project applicant must follow the applicable application process set forth in this NOFO. This NOFO also provides guidance to CoCs and applicants regarding appeals of a jurisdiction's refusal to sign the Consolidated Plan certification for a project under 24 CFR 578.35(c).

Additionally, HUD is clarifying the impact that Solo Applicant appeals will have on HUD signing grant agreements for funds awarded under this NOFO. If HUD receives one or more Solo Applicant appeals from a CoC, HUD will determine the amount of funding the Solo Applicant(s) have requested which may delay signing grant agreements for the awarded project(s) listed at the bottom of the CoC's Priority Listing that has requested funding under this NOFO equal to double the amount requested by the Solo Applicant(s). Refer to the Solo Applicant appeal process in section VIII.D.4 of this NOFO for additional information about the

Solo Application appeal process.

Finally, for the purposes of the appeals identified in this NOFO where 24 CFR 578.35 requires that all evidence be sent to the CoC and that the CoC respond to evidence, this means that correspondence to the CoC should be addressed to the CoC-designated Collaborative Applicant and all correspondence to HUD from the CoC should be addressed from the CoC's designated Collaborative Applicant. If the CoC has authorized another entity other than the Collaborative Applicant to respond to the appeals identified in this NOFO on its behalf, it should notify HUD by sending an email to snapsappeals@hud.gov.

3. Types of Appeals.

The provision at 24 CFR part 578 sets forth the following types of appeals:

- a. *Solo Applicants.*** A process for eligible project applicants that attempted to participate in their CoC planning process and believe they were denied the right to participate in a reasonable manner.
- b. *Denied or Decreased Funding.*** A process for eligible applicants that are denied funds by HUD or that requested more funds than HUD awarded to them.
- c. *Consolidated Plan Certification.*** A process for eligible applicants whose jurisdiction refused to provide a Certification of Consistency with the Consolidated Plan (form HUD-2990).
- d. *Competing CoCs.*** A process when more than one CoC selects the same geographic area, for eligible applicants of lower-scoring CoCs, to appeal to HUD's decision to fund the competing CoC. Should two or more CoCs select the same geographic codes associated with formula areas during the CoC Program Registration process, HUD will use the competing CoC process provided by 24 CFR 578.35(d).

4. Solo Applicant.

Per the Act, "A solo applicant may submit an application to the Secretary for a grant under subsection (a) and be awarded such grant on the same basis as such grants are awarded to other applicants based on the criteria described in section 427, but only if the Secretary determines that the solo applicant has attempted to participate in the continuum of care process but was not permitted to participate in a reasonable manner. The Secretary may award such grants directly to such applicants in a manner determined to be appropriate by the Secretary."

To apply as a solo applicant, the project applicant must submit a Solo Applicant Project Application in e-snaps by the application submission deadline of January 14, 2026 at 8:00 PM EST. Additionally, the solo applicant, Collaborative Applicant, and HUD must take the following steps (See 24 CFR 578.35 for more information):

- a. *Written Notice of Intent to Appeal.*** The solo applicant must submit a written notice of intent to appeal, with a copy to the CoC, with their funding application.
- b.** No later than 30 days after the date that HUD announces the awards, the solo applicant shall submit in writing, with a copy to the Collaborative Applicant, all relevant evidence supporting its claim. The submission shall be emailed to

snapsappeals@hud.gov.

c. The CoC has 30 days from the date of its receipt of the solo applicant's evidence to respond to HUD in writing, with a copy to the solo applicant. The submission must be emailed to snapsappeals@hud.gov.

d. HUD will notify the solo applicant and the CoC of its decision within 60 days of receipt of the CoC's response.

e. If HUD finds that the solo applicant was not permitted to participate in the Continuum of Care planning process in a reasonable manner, then HUD may award a grant to the solo applicant when funds next become available and may direct the Continuum of Care to take remedial steps to ensure reasonable participation in the future. HUD may also reduce the award to the Continuum's applicant(s).

5. Denied or Decreased Funding.

Eligible applicants, including project applicants and Collaborative Applicants, that submitted an application to HUD in response to this NOFO, that were either not awarded funds by HUD, or that requested more funds than HUD awarded, may appeal HUD's decision within 45 days after the final funding announcement. HUD will only consider for funding or additional funding applicants the CoC ranked within the CoC's maximum amount available. Collaborative Applicants that submitted CoC planning, and if applicable, UFA Costs project applications can appeal decreased funding if they can demonstrate HUD decreased the submitted project application's funding request to less than 5 percent of the CoC's FPRN or \$1,250,000; whichever is less. To appeal HUD's decision, the applicant must submit a written appeal to HUD, with a copy to the authorized representative from the CoC's designated Collaborative Applicant. The written appeal must include evidence demonstrating HUD error and follow the instructions in this section.

The applicant must submit its written appeal by email to snapsappeals@hud.gov, from the organization's email address on the organization's letterhead and signed by the authorized representative—electronic signatures are acceptable.

a. Denied Funding. To appeal HUD's decision, the applicant must submit a written appeal to HUD using the process outlined in Section VIII.D.6 of this NOFO within 45 days of the date of the funding announcement of the conditional awards from HUD, with a copy to the authorized representative from the CoC's designated Collaborative Applicant.

(1) Projects, including projects for CoC Planning funds and Unified Funding Agency (UFA) costs, could have been rejected by HUD because:

(a) the individual project application failed to meet project eligibility, project quality, and project renewal thresholds set forth in this NOFO;

(b) the individual project application met project eligibility, project quality, and project renewal thresholds set forth in this NOFO, but was ranked in a position where a portion of the grant funds was outside the CoC's maximum award amount, and after HUD reduced its funding to fit within the CoC's maximum award amount, HUD determined that the project was no longer feasible; or

(c) HUD did not have sufficient funding to fund all eligible projects ranked within

the CoC's maximum award amount.

(2) For applicants that were fully denied funding for a grant, the applicant must provide evidence that demonstrates HUD error in not awarding the grant. Documentation submitted by the applicant must include:

(a) documentation that the project was ranked within the maximum award amount available to the CoC;

(b) evidence from the project application supporting the applicant's claim that the project application met project eligibility, project quality, and project renewal thresholds set forth in this NOFO; and

(c) evidence that the applicant believes HUD failed to follow its selection threshold criteria set forth in this NOFO, which resulted in the project not being funded.

(3) For applicants that were denied funding due to the individual project's funding being decreased to such a level that the project was no longer feasible, documentation submitted by the applicant must include:

(a) documentation that the project was ranked within the maximum award amount available to the CoC;

(b) evidence from the project application supporting the applicant's claim that the project application met project eligibility and project quality thresholds set forth in this NOFO;

(c) evidence that the applicant believes HUD failed to follow its selection threshold criteria set forth in this NOFO which resulted in the project not being funded (e.g., selecting a lower-scored project within the CoC or a similar project from another CoC); and

(d) the evidence in section VI.B.1.b of this NOFO as well as evidence for decreased funding in section VIII.D.5.b of this NOFO.

(4) For CoCs that were denied funding due to the score of the CoC Application or the score of the project application not being high enough to result in the funding of project(s) within the CoC, and the lower score for one or both application types was the result of HUD error, the CoC may appeal the CoC or project application score and request funding for affected projects. Documentation submitted by the Collaborative Applicant on behalf of the CoC must include evidence of HUD error when calculating the CoC Application or project application score.

b. *Decreased Funding.* To appeal HUD's decision, the applicant must submit a written appeal to HUD using the process outlined in section VIII.D.2 of this NOFO within 45 days of the date of the final funding announcement of the conditional awards from HUD, with a copy to the authorized representative of the CoC's designated Collaborative Applicant. Documentation submitted by the applicant must include evidence of the HUD error the applicant believes was made.

occurred, and the applicant should have been awarded additional funding, HUD will provide funding from the next available funds and make necessary adjustments by amending the award. HUD will reverse a decision only when the applicant can show that HUD error caused

the denial or decrease.

6. Written Appeal.

An applicant may appeal to HUD a jurisdiction's refusal to provide a certification of consistency with the Consolidated Plan. The appeals process is as follows:

With the project application that is submitted by the application deadline, the applicant must submit a written appeal. Project applicants may submit its appeal in e-snaps with its project application. When submitted with the project application in e-snaps, the applicant must also email a copy of this appeal to the jurisdiction that denied the Certification of Consistency with the Consolidated Plan and should send a copy to the authorized representative from the CoC's designated Collaborative Applicant, unless it is the Collaborative Applicant that is filing the appeal. Otherwise, the project applicant or Collaborative Applicant may submit the appeal to HUD using one of the methods in section VIII.D of this NOFO. The written appeal must include the following information:

- a. a copy of the applicant's request to the jurisdiction for the Certification of Consistency with the Consolidated Plan;
- b. a copy of the jurisdiction's response stating the reasons for denial, including the reasons the proposed project is not consistent with the jurisdiction's Consolidated Plan in accordance with 24 CFR 91.510(c); and
- c. a statement of the reasons why the applicant believes its project is consistent with the jurisdiction's Consolidated Plan.

The appeal may include additional information the applicant believes supports its appeal, including:

- (1) any additional communication between the applicant and the jurisdiction regarding the request for certification of consistency; and
 - (2) documentation that identifies to whom within the jurisdiction the evidence was sent and the date on which it was sent.
- d. ***Jurisdiction Response.*** The jurisdiction will have 10 days after the receipt of the applicant's written appeal to submit a written response to HUD. The response must be sent by email to snapsappeals@hud.gov on the organization's letterhead, with a copy to the project applicant and the authorized representative of the CoC's designated Collaborative Applicant. The response must include the following information:
- (1) an explanation of the reasons originally given for refusing to provide the Certification of Consistency with the Consolidated Plan; and
 - (2) written rebuttal to any claims made by the applicant in the written appeal.
- e. ***HUD Decision and Notification of Decision.***
- (1) HUD will review the submissions and will provide written notification, by email, of its decision to the applicant and the jurisdiction, with a copy to the authorized representative from the CoC's designated Collaborative Applicant within 45 days of the date of the receipt of the jurisdiction's response. In making its decision, HUD will consider whether the applicant submitted the request to the appropriate certifying

jurisdiction and the reasonableness of the jurisdiction's refusal to provide the certificate.

(2) If HUD finds that the certifying jurisdiction's refusal to provide a certification of consistency with the Consolidated Plan was reasonable, then HUD will automatically reject the project application. If HUD finds that the certifying jurisdiction's refusal to provide a certification of consistency with the Consolidated Plan was not reasonable, then HUD will consider the project application for funding in the respective FY CoC Program Competition in accordance with the review standards set forth in this NOFO.

(3) If the jurisdiction failed to provide written reasons for refusal, including the reasons why the project is not consistent with the jurisdiction's Consolidated Plan in its initial response to the applicant's request for a certification, HUD will find for the applicant without further inquiry or response from the political jurisdiction.

(4) HUD will provide written notification of its decision within 45 days of the date of HUD's receipt of the jurisdiction's response. Where the jurisdiction failed to provide a written response, HUD will provide written notification of its decision within 55 days of the date of HUD's receipt of the project applicant's response.

2. Program Definitions.

Regulatory citations are provided below so applicants can refer to specific areas of the Rule. Projects awarded CoC Program funds are subject to the program regulations as they may be amended from time to time. However, YHDP Renewal and YHDP Replacement projects and awards are subject to CoC Program regulations except as otherwise provided in this NOFO.

The definitions and concepts contained in this section include terms that are important for all applicants to understand in order to operate projects under this NOFO.

a. The following terms are defined in 24 CFR 578. Applicants must refer to the Rule for the definitions contained in this section.

- (1) Annual Renewal Amount (ARA)
- (2) Applicant
- (3) Centralized or Coordinated Assessment System

- (10) High Performing Community (HPC)
- (11) Homeless Management Information System (HMIS)
- (12) HMIS Lead
- (13) Homeless. - Although not reflected in the regulation, section 605 of Violence Against Women Act Reauthorization Act of 2022 amended Section 103(b) of the Act and requires HUD to consider certain individuals and families as homeless. This amendment took effect on October 1, 2022. Notwithstanding anything to the contrary contained elsewhere in this NOFO, where 578.3 paragraph (4) is referenced,

- (15) Permanent Supportive Housing
- (16) Preliminary Pro Rata Need (PPRN)

b. CoC Program NOFO Terms. The following terms may be used during the administration of CoC Program grants. The definitions and specific concepts pertaining to these terms are further explained below:

(1) Annual Renewal Demand (ARD) (24 CFR 578.17(b)(2)). The total amount of all the CoC's projects that will be eligible for renewal in the CoC Program Competition, before any required adjustments to funding for leasing, rental assistance, and operating Budget Line Items (BLIs) based on FMR changes. HUD will calculate the ARD by combining the total amount of funds requested by eligible renewal projects in each FY funding opportunity, including:

- (a) renewal projects approved and ranked on the Renewal Project Listing;
- (b) renewal project amount(s) that were reallocated as recorded on the reduced or eliminated reallocation forms of the CoC Project Listing;
- (c) YHDP renewal projects on the YHDP Renewal Project Listing; and
- (d) YHDP Replacement projects, including YHDP Reallocation projects, on the YHDP Reallocation and Replacement Project Listing. YHDP Replacement projects are eligible for funding through the replacement of YHDP Renewal projects. The YHDP Replacement application must request the same amount of funding that is eligible for YHDP Renewal.

(2) CoC Merger. The CoC merger is a process where two or more CoCs voluntarily agree to merge the entire geographic area of all CoCs into one larger CoC. HUD strongly encourages CoCs that struggle with capacity to merge with a neighboring CoC or Balance of State CoC during each fiscal year's CoC Program Registration process. To encourage CoC mergers and mitigate the potential adverse scoring implications that may occur when a high performing CoC merges with one or more lower-performing CoC(s), HUD will award 5 bonus points to the FY 2025 CoC Application Score for CoCs that registered as a merged after the FY 2024 CoC Program Registration deadline.

(3) Formula Area. Defined in the Indian Housing Block Grant Program at [24 CFR 1000.302](#).

(4) CoC Geographic Area. 24 CFR 578.5 requires representatives from relevant organizations within a geographic area to establish a CoC to carry out the duties within the geographic area. The boundaries of identified CoC geographic areas cannot overlap, and any overlapping geographies are considered Competing CoCs. HUD follows the process at 24 CFR 578.35(d) to determine which CoC HUD will fund in the case of CoC geographic areas that overlap.

(5) Homelessness and Human Trafficking. HUD is clarifying that persons who are fleeing or attempting to flee human trafficking may qualify as homeless under paragraph (4) of the homeless definition at 24 CFR 578.3 or section 103(b) of the McKinney-Vento Homeless Assistance Act and may be eligible for certain forms of homeless assistance under the CoC Program, subject to other restrictions that may apply. HUD considers human trafficking, including sex trafficking, to be "other dangerous or life-threatening conditions that relate to violence against the individual or family member" under paragraphs (1) and (4) of the definition of homeless at 24 CFR 578.3 and "other dangerous, traumatic, or life-threatening conditions related to the violence against the individual or a family member in the individual's or family's current housing situation" under section 103(b) of the McKinney-Vento Homeless Assistance Act.

(6) Host Home and Kinship Care. Host Home and Kinship Care is limited to YHDP Renewal and replacement grants. This is a model of housing where a family agrees to permit a youth program participant to reside with them. Recognizing the addition of another person in the home may increase costs to the family, HUD will consider YHDP Replacement project applications that propose to house youth with families and subsidize the additional costs attributable to housing the youth, including recruitment of hosts. An example of eligible costs would be additional food or transportation costs, which are eligible supportive services under 24 CFR 578.53(e)(7) or 24 CFR 578.53(e)(15). Recipients must keep records related to this determination for HUD review upon request. The residence is in a community-based setting and the family may be related to youth program participants with a time-limited or unlimited length of stay.

(7) Housing Inventory Count (HIC). A complete listing of the CoC's HUD and non-HUD funded beds dedicated to individuals and families experiencing homelessness in the CoC's geographic area.

(8) Reservation and Trust Land. For purposes of this Notice, Reservations and Trust Land are types of formula areas as specifically delineated under HUD's IHBG program at 24 CFR 1000.302.

(9) Rural Area. For this competition a rural area is a county which:

(a) has no part of it within an area designated as a standard metropolitan statistical area by the Office of Management and Budget;

(b) is within an area designated as a metropolitan statistical area or considered as part of a metropolitan statistical area and at least 75 percent of its population is local on U.S. Census blocks classified as non-urban; or

(c) is located in a state that has a population density of less than 30 persons per square mile (as reported in the most recent decennial census), and of which at least 1.25 percent of the total acreage of such State is under Federal jurisdiction, provided that no metropolitan city in such State is the sole beneficiary of the grant amounts awarded under this NOFO. A metropolitan city means a city that was classified as a metropolitan city under section 102(a) of the Housing and Community Development Act of 1974 (42 U.S.C. 5302(a)) for the fiscal year immediately preceding the fiscal year for which Emergency Solutions Grants program funds are made available.

(10) Shared Housing. YHDP Renewal, YHDP Replacement and YHDP Reallocation grants may provide rental assistance for shared housing where youth may reside with family or another unrelated person. The youth leases from the property owner and shares the unit with the family or unrelated person. The unit may be a house or an apartment.

(a) YHDP rental assistance cannot be provided to a youth to reside in a unit occupied by an immediate family member. For this NOFO "immediate family member" includes parents, grandparents, and legal guardians.

(b) YHDP rental assistance cannot be provided to a youth in a shared housing unit if the landlord is an immediate family member of the youth.

(c) YHDP rental assistance may only be provided to a youth if the youth can enter into a valid, binding, and enforceable lease under applicable state or local law. This includes a legally appointed guardian executing a lease on behalf of a youth or an emancipated youth entering into a lease.

(d) YHDP Renewal and replacement grants may provide a shared housing option for youth program participants who are not part of a household but are interested in sharing a housing unit with a roommate unrelated to the program participant.

(11) Special NOFO. A competition administered under the Continuum of Care Supplemental to Address Unsheltered and Rural Homelessness designed to target efforts to reduce unsheltered homelessness in communities with very high levels of unsheltered homelessness and homelessness in rural areas. Funding through this Competition was awarded through either the Unsheltered Set Aside or the Rural Set Aside.

(12) YHDP Replacement Process, including YHDP Reallocation. The YHDP Replacement process occurs when: (1) a CoC reallocates a YHDP Renewal project to create one or more new YHDP project(s) that has the same recipient referred to as YHDP Replacement in this NOFO; (2) a CoC is reallocating a YHDP Renewal project to create one or more new projects with a new recipient referred to as YHDP Reallocation in this NOFO; or (3) a CoC is reallocating YHDP Renewal project(s) to create YHDP Expansion applications through the YHDP Replacement process. For more information on YHDP Reallocation, see sections IV.D.1.i of this NOFO.
