1) Any letters sent by HUD to the Houston Housing Authority regarding current or proposed public housing development in Houston since August 20, 2020. In United States Department of Justice v. Reporters Committee for Freedom of the Press, the Supreme Court ruled that the Freedom of Information Act focuses on the citizens' right to know what their government is up to. The court further held that official information that sheds light on an agency's performance of its statutory duties falls squarely within that purpose. We are seeking these letters to determine whether HUD fully evaluated projects for compliance with HUD standards. These projects are partially funded with HUD monies and HUD regulations apply to them.

| Covino, Gina | 4/20/2023 | Hello, I am requesting the FHA application submitted by Century Park East HOA, located in Salt Lake City, UT 84115 for their FHA insurance approval in 2016 & 2020. Please include the form and financials they provided. I understand fees are applicable. Please let me know the cost and I will pay them. I have reason to believe the HOA falsified information to HUD. I moved into this community on false pretenses and I would like to understand the discrepancy of the HOA being financially sound. I moved into this community as a first time homeowner to find out there was deferred maintenance, a special assessment and \$160 a month dues increase to cover financial deficits. I'm trying to find clarification and I appreciate your understanding and helping me find out how I got into this unfortunate circumstance. Thank you for your assistance. Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, the Williams Institute at UCLA School of Law seeks access to and electronic copies of any "SOGI Data Action Plan" prepared by the Department of Housing and Urban Development pursuant to Section 11(C) of Executive Order 14075 - Advancing Equality for Lesbian, Gay, Bisexual, Transgender, Queer and Intersex Individuals. "SOGI" refers to "sexual orientation/gender identity." The requested documents are not, upon information and belief, already available in the public domain. To assist in locating the SOGI Data Action Plan ("Plan"), we can provide the following details: • Executive Order 14075 was issued on June 15, 2022, and required agencies to submit a "Data Action Plan" to the "Co-Chairs of the Interagency Working Group on Equitable Data" within 200 days. The Plan was therefore likely prepared and/or submitted sometime within the last year, but not necessarily within the 200-day deadline set out by the Executive Order. • Per the Executive Order, the Plan details "how the agency plans to use SOGI data to advance equity for LGBTQI+ individuals and shall identify how the agency plans to implement the recommendations in the Federal Evidence Agenda on LGBTQI+ Equity." • The Plan would have been submitted by the head of "each agency that conducts relevant programs or statistical surveys related to the Federal Evidence Agenda on LGBTQI+ Equity," which includes the Department, to the Co-Chairs of the Interagency Working Group on Equitable Data. We request that you produce responsive materials in their entirety, including all attachments, appendices, enclosures, and/or exhibits and in digital format. In the event you determine that the Plan contains information that falls within the statutory exemptions to mandatory disclosure, we request that such information be reviewed for possible discretionary disclosure. See Chrysler Corp. v. Brown, 441 U.S. 281, 293 (1979). If our request is denied in whole or part, we ask that you provide notice in writing and justify all deletions by reference to specific exemptions of the Act. See 24 C.F.R. § 15.107. We, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees. We would appreciate your communicating with us by email or telephone, rather than by mail. Please call me at (h)(v)(a) or email me at (h)(v)(a) if you have any questions or wish to obtain further information about our request. Thank you for your assistance. Olga.Pomar@hud.gov

In 2019 the Northampton Housing Authority proposed putting up security cameras in their complexes, and residents overwhelmingly were opposed. However, NHA installed, within the neighborhood, a new office and a Ring doorbell camera that they purportedly use to listen to conversations and watch residents in the neighborhood. I would like to make a FOIA request to obtain all the footage they have acquired since the date of installation. I want to know when they are accessing the footage, at what times of the day, and to see any content relevant to me specifically, since I live directly next door to the office and camera. Is this possible? The Ring camera is located at (h)(v)(a) Northampton, MA 01060. The recordings I request are between the dates of July 3, 2019, to June 26, 2022.

| Avellino, Kelly | 6/27/2023 | My name is Kelly Avellino. I'm a reporter in Nashville, Tennessee for Fox 17. I would like to formally FOIA request documentation pertaining to Creekview Manor apartments, in Waverly, Tennessee (Humphreys County). Tenants there received Section 8 Rental Assistance, through HUD. There was a major flood two years ago in 2021. The property has been vacant since. A HUD spokesperson kindly sent me the following statement. However, I'd like to officially request the documents--the request by Creekview Manor Partners to HUD to move the HAP Contract from Creekview Manor to another property in Tennessee. If there are any requests to demolish the property or sell it, may I please request those documents, as well? "Creekview Manor, which is owned by Creekview Manor Partners in Waverly, TN, was severely damaged by Major Disaster #4609, Severe Storms and Flooding that occurred on August 21, 2021. The property is not habitable and therefore is currently vacant. All households are displaced. The Department's affiliation with the property is through a Project Based Section 8 Housing Assistance Payments (HAP) Contract. The owner has submitted a request to HUD to move the HAP Contract from Creekview Manor to another property in Tennessee, and this request is under review." I have requested this from the media representative handling my inquiry. However, I'm not sure if I formally need to submit a FOIA request. So, I am doing this proactively, just in case. Thank you, Kelly Avellino (Date Range for Record Search: From 08/21/2021 To 06/19/2023) | 23-FI-R04-01428 | 8/11/2023 | Granted in Full |
